WRECK PROBE IS ENDED—NO PROSECUTION

State Will Not Probe Mr. Whittaker's Alleged Condition

WHAT THE FACTS ARE

Stupor May Have Been Caused by Excitement Or Shock

Evidence on which to base any more serious charge than that of reckless driving against C. H. Whittaker, of Ukiah, driver of the car in which Miss Bessie Hardisty, 20, of Potter Valley, was riding when she was fatally injured Saturday night a week ago, was lacking at an inquest conducted by Coroner Fred Young at Cloverdale last week. The jury returned a verdict death was due to injuries suffered when the car in which she was riding "accidentally overturned," and fixed no blame for the accident.

Doubt Is Expressed.

E. J. Dole, assistant district attorney, who represented the prosecutor's office at the hearing, declared that, from the evidence brought out, it was unlikely a manslaughter charge would be filed against Mr. Whittaker. Attorney Dole will investigate further, however, he said.

Still In Danger.

Gordon Walker, 33, Ukiah oil salsman, who was injured in the same accident, is reported "holding his own" in the Healdsburg General Hospital, where he is under the care of Dr. J. Walter Seawell. Mr. Walker's condition is still critical, however.

Had Drank Liquor.

Testimony by Dr. Ira Wheeler and Marshal James Ledford, of Cloverdale, they smelled liquor on Mr. Whittaker's breath some time after the accident, was qualified by their admission this might have been due to a

DINUBA GAVE HIM A WELCOME

George M. Mann's Entry Made Much Of In Southern City

The opening of the New Williams Theatre, the recently purchased George Mann showhouse at Dinuba, was announced in a double column front page story in The Dinuba Daily Sentinel Tuesday.

Our Theatre Praised.

Ukiah is mentioned several times in the story as the city of one of the model George M. Mann theatres and the former home of B. F. Adams, manager of the new showhouse in Tulare county, who until recently managed The State Theatre here. Seven usherettes have been engaged for the new theatre, of which Russell Thompson, formerly of the Fort Bragg George Mann showhouse, The Liberty Theatre, is chief operator.

The Man Who Did It.

Construction Engineer Guy Morris, who built the handsome Republican Press building here and remodeled The State Theatre, was in charge of the renovation and remoding of the Dinuba playhouse. W. T. Adams, father of B. F. Adams, former local resident manager, was in charge of the decorations which include two oil canvasses which have been placed on either side of the stage.

Welcomed New Owner.

The opening of the New Williams Theatre was accompanied by a double page of advertising in the Dinuba newspaper inserted by well-wishers in various business enterprises of the city. To date the chain of Redwood Theatres, Inc., includes three in Eureka, one each in Fortuna, Arcata, Fort Bragg, Ukiah and Dinuba and one under construction at Healdsburg, as well as several small houses elsewhere.

W. H. Oppenlander, of Comptche, was a business visitor here recently.

INSTITUTE COMES

Ukiah will be hostess city to the Institute of the North Coast Section of the California Teachers' Association to be held October 13, 14, 15. More than 600 teachers of Humboldt, Del Norte and Mendocino counties will be here for the three-day session.

SOON TO GO ON

The long-talked-of night squad for state traffic duty will soon become a reality according to word from Willits last week to the effect Dick White, of that city, had received word of his appointment. At the same time Mr. White qualified a Fort Bragg man also was made eligible. Mr. White was in this city Friday on his way to Sacramento to receive instructions and equipment.

DEER SEASON APPROACHING—ABUSES START

Scores Are Applying For Licenses During Last Hours

DEATH TOLL WAS HEAVY

Carelessness Caused A Loss Of Game And Human Life

The last minute run on hunting licenses has begun and indications point to a score of hunters for every deer in Mendocino county.

Danger Time Here.

Not only is the local exodus to be the greatest in years, but the country is filling up already with "foreign" hunters among whom are the careless fellows who "guess" they see deer and shoot with the result human lives are endangered and many times valuable range animals are shot.

Many Lives Lost.

Last year 27 persons were killed in California in hunting accidents and 88 wounded and field deputies of the division of fish and game are requested to keep a weather eye out for the careless hunter.

Little Game Slaughtered.

Another feature of destruction in the hunting season particularly, is the killing of small game by automobiles used for quick transportation and carelessly handled which run down thousands of small animals. A recent survey showed a rabbit is killed for each mile of highway and road in the United States every year.

Deer Have Suffered.

Reports from Mendocino county show more than a dozen deer have already been killed or crippled this season by careless automobile drivers. Many of these animals drag themselves to secluded spots and die lingering deaths.

INSANE MAN IS A SUICIDE

Harold Hansen Used A Rope To Take His Life Thursday

Harold Hansen, for 27 years a patient at the Mendocino state hospital, committed suicide at the state farm, where he has been employed, Friday morning.

Used A Rope.

The unfortunate man, who was 57 years old, went out with the other patients employed on the farm, but upon arrival at the place of work was missing. A search revealed his body hanging by a rope attached about the neck from a piece of iron pipe on a standard in the open.

Left No Relatives.

As far as is known the man, a native of Norway, had no relatives. Deputy Coroner J. W. Kingren took charge of the investigation and interment was in the burial ground at the hospital.

GO TO LOS ANGELES

Mr. and Mrs. W. D. Allard returned last week from a brief visit in Los Angeles where Mr. Allard secured a good position. Mr. and Mrs. Allard have bought a home in the southern city and will move there shortly to make their permanent home.

SOLD FOUR TRUCKS

Maurice Fuller, local Ford dealer, delivered four new model Ford trucks with the new long wheelbase and dual rear wheels last week. The new owners receiving delivery were Kirk Ford, Redwood Valley; Cunningham Bros., Potter Valley; Frank Rosetti, Redwood Valley, and A. Linser, of Bell Springs.

D. C. Rose, of Laytonville, was in town on business last week.

SUICIDE ENDS MAN HUNT AT LITTLE ITALY

Joseph Gionella Killed Himself Soon After The Shooting

VICTIM WILL GET WELL

Body Of The Would-Be Murderer Found In Nearby Bushes

The body of Joe Goinella, who shot with intent to kill Louis Pardini Monday morning, July 21, in "Little Italy," near Philo, Anderson Valley, was found Friday afternoon by officers who had for several days directed an intensive search for the would-be murderer.

Used Two Shells.

Friday officers picked up a trail that had been passed over several times during their hunt. It led to a thicket, a scant 100 yards from where Mr. Pardini had been wounded. There had been two shells in the gun. The charge from one had gone into Mr. Pardini's head and shoulders. Mr. Goinella had discharged the other after placing the gun in his mouth. The body, with the top of the head blown off by the shotgun charge, was lying in a clump of bushes and the conditions of the remains indicated the suicide had occurred shortly after the shooting which has put Louis Pardini in a Healdsburg hospital.

No New Developments.

The story of the shooting was related last week in The Republican Press and no new details as to the probable cause of the mad act are available except, it is said, in some quarters, the attentions of Mr. Pardini to two nieces of Mr. Goinella did not meet with the approval of the latter and a quarrel ensued Sunday night with the result the shooting occurred the following morning after Joe Goinella had lain in wait all night for his victim.

Long Search Made.

Throughout the week officials had been searching in Anderson Valley and elsewhere for Joseph Gonnella, Philo laborer, who 10 days ago shot Louis Pardini, another ranch laborer, following a quarrel which occurred several days before the shooting but

Geo. E. Kinman and son, of Potter Valley, were in town Wednesday last. Mr. Kinman was called here to prove up on a homstead before Clerk H. M. Burke.

GOES TO SWITZERLAND

Mrs. Eliza Niderost, of Hopland, whose husband, the late Franz Niderost, was a well-known agriculturist of the Sanel Valley, was in town yesterday completing arrangements to return to Switzerland where she will make her home with a sister at Barfallen. Mrs. Niderost has many friends in Hopland to wish her well in her long journey.

HAS BEEN ILL

J. M. McKenzie, well-known local businessman, suffered a heart attack recently which will keep him from duty for a short period.

ON THE COAST

A family party including William Wilson, wife and mother and Mr. and Mrs. Ham Van Nader are enjoying an outing on the Mendocino coast.

ALL SEEMS FAIR

Earl Prather, well-known resident of Philo, was in town Saturday accompanied by his two sons, Marion and Donald. Mr. Prather stated the business outlook, in the apple belt of Mendocino county, is reassuring although fruit prices are somewhat discouraging so far.

DRAWING CROWDS

Ukiah residents are finding miniature golf great sport. Since the opening of the course at Oak and Smith streets Saturday crowds have been present, particularly during the evening hours.

IS IN CITY

Mrs. J. H. Hansen went to San Francisco the first of the week, accompanied by her little daughter, Marion, who will remain in the bay district for a week as the guest of friends.

RETURNS HOME

Miss Irma Hunt returned last week from a visit at Lucerne with relatives. Miss Hunt, who was graduated this year from the Ukiah high school, is considering nursing as a career and may enter a bay city hospital shortly.

Senator Handy's Work Effective

Word has been received here Ukiah is in line for two new bridges, one on the Talmage highway and the other on the Ukiah-Tahoe highway. Senator Fred C. Handy has been working on the bridge replacement some weeks and his quiet, effective influence is again manifested by the semi-official announcement which has come from the capital. It is instances like the above, which frequently crop up, that show Senator Handy is the right man to represent Mendocino county and he should be retained in his present position, where his experience, ability and the high regard he is held in by his senatorial companions make him a representative of powerful influence.

INJURIES WERE UNDER-STATED

Neuhaus Party Arrives Home—Hospital Is Given Much Praise

Mr. and Mrs. Ernest Neuhaus and son, Ernie, Jr., and Nathan Cohn are home from Petaluma where they were in The Petaluma General Hospital several days.

All Severely Hurt.

All of the parties in the wreck suffered more severely than first reports indicated. Mrs. Neuhaus had the tendons in her arm badly cut by flying glass and sustained numerous body injuries. Mr. Neuhaus shows the results of his accident in many ways and has developed a broken shoulder, Nathan Cohn is bruised and cut in various places and, while able to be around, is not fit to do any work.

To Be Long Off Duty.

It would appear as if it will be many weeks before either of the two men will be able to follow their regular duties.

Car Was Demolished.

The fine enclosed Crysler of Mr. Neuhaus was so badly wrecked it was junked and sold for $25.00.

Hospital Is Praised.

Mr. Neuhaus was particularly grateful to the doctors and nurses in The Petaluma General Hospital, stating he found the most perfect service, best food and consistent, intelligent care he had seen. There were numerous nurses on hand at all times and no extra charges were imposed for "special nursing," although all of the party required more than ordinary attention. The cost, too, Mr. Neuhaus says, was most reasonable.

HARRIS PLANT BUILDS HOME

Modern Structure Will House Business Of Local Cleanery

A contract was last week let to Contractor C. W. Gibson by A. L. Harris for the erection of a modern building in which to house the Harris Cleaning & Tailoring plant. Work has already started on the building, which is located on South School street opposite the Fire Department.

To Hurry Completion.

Plans call for a store building 20 feet facing on School street and 60 feet deep. It will be of concrete and stucco and will be so constructed as to permit Mr. Harris adding to it when he desires to expand. Contractor Gibson hopes to finish the building inside of 60 days.

Buys New Machinery.

Mr. Harris has already placed an order for an entirely new and modern equipment and the machinery will be installed before the building is finished.

Cost Of Structure.

It is understood the outlay for the building will run to about $7000.

WRONG POOL WAS NAMED

In the story which The Press printed recently regarding the rescue of a woman in the river at the Levaggi ranch it was stated the near-accident happened at the municipal swimming pool. This was a mistake. The occurrence did happen on the river on the Levaggi ranch, but not at the Municipal pool. The Municipal pool now has excellent bath houses for men and women, many tables for picnickers, seats for people to watch the bathers, ample parking space and the stream has been worked into an ideal swimming pool and is bound to be popular.

MRS. E. KEHOE IS KILLED WHEN AUTO WAS HIT

Ukiah Lady Victim Of Wild Driver Close To Boonville

WAS FORCED OFF ROAD

Machine Of Mrs. Carrie Van Voast Wrecked When Overturned

Feeling was at fever pitch here Sunday when word reached this city Mrs. Hazel Kehoe, wife of Ed Kehoe, met almost instant death when a car driven by Mrs. Carrie Van Voast and said to be occupied by six persons including Mrs. Kehoe, was sideswiped by a green coupe in which three men were driving at breakneck pace. The car sped on leaving the victims scattered over the roadside. The Van Voast car, a heavy Buick sedan, turned over three times following the crash, which occurred on Fairbanks hill about two miles out of Boonville on the highway leading to the Mountain House.

Injuries Of Victims.

Mrs. Kehoe lived about an hour. She suffered a crushed chest and internal injuries. Mrs. Van Voast sustained a badly sprained back and cuts and bruises. The 12-year-old daughter of Mr. and Mrs. A. B. Willis, of Boonville, who is a niece of Mrs. Kehoe, received a broken arm.

Were Driving Wildly.

It is said the green roadster, which dashed on toward Boonville, barely missed another car further on and caused a pedestrian walking the highway near the Live Oak Garage to flee for his life.

Was Crushed To Death.

Every effort is being made to locate the hit and run driver, who will fare badly if apprehended. According to persons who gathered at the scene of the wreck shortly after it occurred the heavy sedan landed against a stump which pierced the back and pinned Mrs. Kehoe, who was riding in the back seat, against the back of the front seat. Although close to death and suffering intensely Mrs. Kehoe's every thought was for her small daughter, Bonnie, who was with her and who escaped with injuries about the legs.

Took Longer Road.

The body of Mrs. Kehoe was taken into Boonville and later brought to this city. Mrs. Van Voast, who also suffered great pain, was taken to the home of her sister, Mrs. Emily Press-

GOT SOME FISH

Mrs. J. J. Kirwin is the principal in the biggest fish story of the month and what is more she has the evidence to substantiate her story in a salmon trout measuring 26 inches and weighing more than three pounds. Mrs. Kirwin caught the fish in Eel river Sunday while she was a member of a party including her husband, Dr. Kirwin, and Dr. and Mrs. J. Newell Rea.

TOM LEHEW TO BE EXECUTED EARLY FRIDAY

The Murderer Of Little Theresa Johnson To Die On Gallows

GIRL GAVE THE FIRST TIP

Telephone Operator's Intuition Solved A Fiendish Crime

Thomas Lehew, 33, slayer of little Theresa Johnson, 7-year-old Mendocino City schoolgirl, will go to his death on the gallows at San Quentin next Friday, it was announced by Warden James B. Holohan.

Killed And Assaulted.

Thomas Lehew was sentenced to death last year, following his conviction of the brutal murder of the girl, whose broken body was found in a clump of rhododendron several hours after she had failed to return home from school May 23, 1929. The girl had been criminally attacked and then strangled to death. Thomas Lehew was arrested several days after the crime.

The First Tip.

The first intimation Thomas Lehew was probably the murderer of little Theresa Johnson came from a young woman employed in a telephone office on the coast. The information was imparted to the officers and the tip, dovetailing in with facts which developed quickly, once Thomas Lehew was under suspicion, resulted later in his making a confession while in the county jail here. The parents of the little victim moved, shortly after the conviction of Thomas Lehew, to Arizona, Mrs. Johnson being unable to live in the vicinity in which her little daughter was murdered.

PURITY STORE DEFIES CITY NUISANCE LAW

Small Boys Scattered Dodgers About Town Wednesday Last

SHOWDOWN IS DESIRED

Either Do Not Discriminate Or Repeal Ordinance

Why is the Purity Grocery immune from prosecution when it violates city ordinances?

In Trouble Before.

City Marshal W. F. Ornbaun, it is known, has had considerable trouble with the employes of the Purity Store in past times. He has remonstrated with the employes about blocking the street and sidewalk. He has been called upon to compel the Purity Store employes to clean out a gutter on South State street which the store employes had clogged with straw and refuse to such an extent it became necessary to open up the face of the intake of a manhole near the F. C. Albertson building.

Was Politely Warned.

Marshal Ornbaun, after the ordinanec became effective, went to the manager of the Purity Store and politely informed him the practice of littering yards and the streets with dodgers must be stopped and was given to understand the head office of the Purity Stores would be advised of the instructions and, an intimation was made, the local manager might comply with the city ordinance. However, Wednesday last two boys were about the city again scattering dodgers. In one nstance the boys went to a residence, opened the door and flung the dodger inside. At another home they went into a private yard and created a commotion, having with them a dog which chased chickens

COAST WOMAN WRECK VICTIM

Mrs. Rosie Bonelli Was Crushed Underneath An Automobile

A shocking and most pitiful accident took place on the coast Saturday when Mrs. Rosie Bonelli was crushed under an Essex touring car and killed. The machine was driven by Mrs. Bonelli's brother-in-law, Pete Martelli, and there were eight occupants in the car, five of them children.

Two Under Car.

The auto was just approaching the Hare creek bridge enroute to Fort Bragg when it skidded in some loose gravel and plunged off the road and turned over. Six of the party were thrown clear of the car but Mr. Martelli and Mrs. Bonelli were pinned beneath the wreck. Passing autoists came upon the scene almost immediately after it happened, and word was quickly sent to Fort Bragg to Coroner Cannarr. Mr. Martelli was helped out and it was found he was not badly hurt, sustaining only bruises and scratches and a severe abrasion near his right eye, but Mrs. Bonelli was tightly caught under the car and it was imperative the wrecked auto be moved. A dozen men were required to lift the auto before it was possible to free Mrs. Bonelli's body. Her face was crushed beyond recognition and her arms and legs were broken. One of the children in the car was the little daughter of the dead woman and her grief at her mother's sudden death was heart-breaking.

Was On A Pleasure Trip.

Mr. Martelli had been to Boyle's camp, where the Bonelli family reside and was taking Mrs. Bonelli and children to Fort Bragg to visit his wife, who was also an occupant of the car.

Miss Joan Fraser is passing a month in the bay district with friends.

THE TRUTH "—is also found in frank confession of error."

THE IMPOSSIBLLE

(By Edgar A. Guest)

He never looked for angels here,
Or asked that miracles be done;
With open eyes and judgment clear,
He faced the course that life must run.

The need for kindness and for good,
For patience and for pity too;
Upon this earth he understood,
He asked no more than men can do.

He saw men weary and grow pale,
He saw them suffer scorn and blame;
He knew the best is apt to fail,
The worst his foothold to reclaim.

He met his trials open-eyed,
And bore his burdens best he could;
He knew that every man is tried,
And all must cope with bad and good.

He kept the faith with all he knew,
Was quick to help and slow to sneer;
Though puzzled oft by things men do
He never looked for angels here.

ONE OR THE OTHER

AGAIN LAST WEEK The Purity Chain Grocery Co. defied the city ordinance which says it is unlawful to scatter handbills about the city, Ukiah having a city ordinance forbidding the practice. It was passed because people resented the handbill nuisance. The manager of the local store of The Purity Grocery had been informed he should not send small boys out to distribute the dodgers, but he has done so, after being warned.

It would seem to this newspaper it is the duty of the city marshal to cause the arrest of the manager of the Purity Store here, if he is proven to have sent the little boys out to violate the ordinance; that it is the duty of the city attorney to prosecute the case and that, in the event the evidence warrants it, the city magistrate should impose a fine that would deter the manager from again offending, or else the bars should be let down and everyone who wishes to litter the streets, front yards of residents and the seats of automobiles parked in the business center should be allowed to do so.

The Purity Chain Store should be given none the best of it over residents of Ukiah who own property, contribute to public enterprises, and spend the money they make in Ukiah in this city.

IT DOES NOT PAY

THE OTHER NIGHT, down in condemned row in San Quentin, Red O'Brien, a San Francisco bank robber and bandit, committed suicide. He did so rather than be hung, his execution date having been set and two of his companions in the case having already been executed. Of the occurrence The Oakland Tribune has taken occasion to publish the following very powerful editorial which, without any pulpit attachment, sets forth careers like that of the unfortunate Red O'Brien do not pay. The editorial mentioned reads:

"In the lone and long hours of the prison cell he thought of his wife and baby, wrote a note which bared his soul, and committed suicide. The state, reading the letter of Red O'Brien, sensing its tragedy and drama to the full, feels there must have been some good in the man. As there is good in all men there was good in him, and the great tragedy was not that of his closing hours, but the one which came when, outside in the free air, in his young strength and with his opportunities he ceased to think of wife and baby, took a gun and became an enemy of society. What Red O'Brien wrote in prison is a document to be read by all men who may be tempted as was he. When he armed himself for robbery he became a potential murderer. With two others, he was guilty of a dastardly crime which took from family and community a man innocent of any wrong. All who put guns in their pockets and start upon a career of crime walk in the path taken by Red O'Brien and, sooner or later, will have their long and lone hours from which there is but one retreat. When the young and reckless first give ear to tales of "easy ways" to get money, when fingers first feel the stock of a gun, that is the time to think of wife, babies, mother, and self. In that quiet but fearful eddy which is between the swift current and final plunge Red O'Brien heard clearly voices which in the past he had stifled."

THIS IS THE END

FROM TIME TO TIME, because it was such an unusual story, The Press has commented on "The Last Man's Club." You will recall all about it when you have read a little of the article below: At Stillwater, Minn., a week ago yesterday the curtain went down on the "Last Man's Club" in a room in which were arranged 33 crepe-draped chairs; there were flowers about the room and a more or less funereal atmosphere surrounded the premises as Charles Lockwood said good-bye to his companions in battles of long ago.

Charles Lockwood kept a promise made 45 years ago. He slipped a toast of vinegar—once choice burgundy—to the memory of his dead comrades. A draped chair and a spray of flowers told of the 33 who had died. Alone at the table with the memories of his comrades in Company B, First Minnesota Volunteer Infantry, Mr. Lockwood recited:

"The campfire smoulders—ashes fall;
The clouds are black against the sky.
No tap of drums, no bugle call;
My comrades, all, goodbye."

While the lone survivor made his toast to the dead, talking picture cameras recorded for all time the termination of the only club of its kind in the world.

The final banquet with the final closing of the last man's club was held at Lowell Inn. It was on the site of Lowell Inn, then the Sawyer House, the young men had danced through to the early hours of Sunday morning, April 21, 1861. On September 17, 1885, 34 veterans were still alive. That night they held a celebration. When the party broke up one lone bottle of wine remained on the table.

"Let's make it a last man's club," someone suggested. "The survivor will drink a toast to his comrades." The idea was agreed on. Last Monday Charles Lockwood alone held the last meeting of the club. The records were closed. Records and bottle were turned over to the Stillwater Library, where already the tattered company flag rests.

RATTLESNAKES ARE PLENTIFUL

Unusually Large Number Of Reptiles Are Killed By Party

(Special Correspondence of The Press)

COVELO, July 29. — Loren Long and Roland Brown left Sunday for Osborne station on the forest reserve, where they will be busy the rest of the season making trail on the east side of the river from Osborne to Buck Rock and from Beaver Glade to Buck Rock.

To Have A Party.

The J. S. Rohrbough ranch will be the setting Saturday for a delightful family reunion and birthday dinner for Dr. Fred Carfagni, of San Francisco, who is coming up to pass the week-end and to take back to the city his wife and two daughters who are passing the month of July at the ranch.

Many Going Hunting.

A steady stream of hunters and campers has been pouring through Round Valley into the hills during the past week. Most of those stopping have been here before and are lured back by memories of the outdoor life and the chase. They are coming early, so as to make camp and be ready for the opening day of the hunting season. Those who have had experience stop in Covelo to purchase camp supplies, ammunition and hunting licenses, and to chat with local hunters who know the lay of the land.

The Ladies Worked.

About a dozen members of the Dorcas Aid Society met at the Presbyterian manse Friday afternoon for the regular weekly working stunt. They finished blocks for the covers of two quilts which are being made to fill an order from Mrs. Claude Van Dyke, of Stockton. These quilts are made from scraps of print dresses worn by two small daughters, and will be in years to come treasured keepsakes of a happy childhood.

Is Coming Home.

Assistant Farm Advisor Emmett Spurlock, of Sacramento county, and Mrs. Spurlock will arrive early in the week for a visit at the paternal home on the T. F. Spurlock ranch.

Called On By Relatives.

Mr. and Mrs. Charles Rice enjoyed last week a surprise visit from a group of relatives from the upper Sacramento valley region, who drove across the mountain to see them. The party included the father, O. Holthe, and two sisters of Mrs. Rice, with their families. They are Mr. and Mrs. Geo. Burt and three children, of Vina, Tehama county, and Mr. and Mrs. Roy Clark, of Henleyville. Mrs. Clark will be remembered here as the Worthy Matron of Molino Chapter, O. E. S., who presided at a meeting of Augusta Chapter two years ago when her sister was initiated into that order.

It's A Daughter.

A daughter was born Saturday, July 26, at Ukiah, to Mr. and Mrs. Harold Goforth, of Covelo.

Many Made Flights.

A commercial airplane from Santa Rosa came up Saturday to act as a jitney of the skies, taking passengers up for hire. The owner put in two busy days. Accompanying him on the trip was a nephew of Mrs. T. J. Lowry. The time from Santa Rosa to Ukiah was one hour and thirty minutes.

The John Perry home has as guests a daughter, Mrs. Frank Dane, and her friend, Mrs. Elmo Dempsey, both of San Francisco.

Dorcas Aid Program.

The July missionary meeting of the Dorcas Aid Society was put on by Mrs. D. T. Johnson, chairman of stewardship, with the help of her Sunday school class. The program took the place of the regular Sunday evening service. Very charming indeed were the eight bright little faces as they presented Scripture reading, playlet and tableau, pleading the cause of missions. Mrs. Burnham read a story of the old-time missionary box. Mrs. Goforth and Mrs. Rohrbough with Mrs. Redwine at the piano contributed three delightful duets. President Merry O'Ferrall conducted the opening and Rev. H. L. Burnham gave a short talk on the spirit of missions.

Mrs. J. O. Watkins and daughter, Emma, returned Monday to their home in San Francisco after a week's visit with her daughter, Mrs. C. G. Fish.

Miss Margaret English, of Santa Rosa, is passing the summer with her grandparents, Mr. and Mrs. L. B. English, while her parents are at Ukiah where her father is receiving medical treatment.

Mrs. Charles Lee left this week for Willits to visit her daughter, Mrs. George Black, who resides on the Outlet ranch. Mrs. Lee has been a guest for some weeks at the home of her mother, Mrs. Molissa Gravier.

Mrs. D. R. Drewry was summoned to Ukiah during the week by the serious illness of her daughter, Harlene.

Victim Is Better.

The condition of little Betty Weismuller is steadily improvng followng injuries and shock received when struck by a car early in the week.

Mr. and Mrs. J. M. Wilson and little daughter, Mary, are back from a brief visit in Fort Bragg. Jock, Jr., is enjoying a longer time with friends in the coast city.

After Star Thistle.

Glenn Barrass and his brother, Lloyd, are busy with a steady and determined campaign to clean their ranch from the ravages of star thistle. They are combating it both by burning and by cutting. G. C. Bauer also has a crew of men at work on the same problem on the Haydon ranch adjoining, which he is farming.

Mrs. Molissa Gravier left at the end of the week for a visit with her son, George, at Vacaville. She will be away several weeks.

Mr. and Mrs. Clark Hill, of Farley, passed a day as guests of their brother at Hotel Covelo during the week.

Mr. and Mrs. Linden Short were in from their mountain home Wednesday.

Brother Was Guest.

Game Warden Earl Caldwell entertained during the week as guests members of his family and of his official family, among whom were his brother, Roy, of Sacramento, and Captain Dave Dondero and son, chief of wardens in this district.

Mr. and Mrs. Orrin Barnes, of Humboldt county, who have been visiting in this vicinity, drove to Willits early in the week.

Accidents Plentiful.

Many minor automobile accidents are occurring on our streets and about the valley. Reports of an average of more than one daily are current. Cars have been damaged more or less severely. The serious injury to little Betty Weismuller is the only recent case of injury to human life, but it behooves drivers and officials to exercise more care to prevent disaster.

Bey Barnwell was in town a short time during the middle of the week, having brought his father-in-law, Tod Hurt, home from an extended visit in Humboldt county.

Have Gone Home.

Mr. and Mrs. Dave Robinson, of Los Angeles, who have been guests in the E. A. Gravier home, left Wednesday for the southern metropolis. Hosts and guests have a common bond of interest in the same strapping young four-year-old grandson, the Robinsons' daughter being the wife of Mrs. Gravier's son, Alfred Motander. The Robinsons have been for several weeks touring the Pacific northwest. They took a short run into Mexico before heading toward the north. They went by way of Colorado into the Yellowstone country, then the Columbia Highway into Washington and Oregon, following the Redwood Highway down the California coast. Their entire trip covered about 6000 miles.

County Recorder James R. Elder called on Round Valley voters during the week.

A Real Onion.

Olaf Johnson, of Poonkinney, was exhibiting this week in Covelo, a home-grown two and one-half pound big red onion of the type which has made the J. Figone gardens of Talmage famous in this section.

Came To Shop.

Walter Foster, John Brightenstine, Harvey Brightenstine, Mr. and Mrs. W. W. Reed and Leon Terry were among the mountain visitors seen on the streets of Covelo during the week.

I. B. Barrass and daughter, Miss Ardelle Barrass, have been guests at the Glenn Barrass farm home in Round Valley during the week.

To Go Motoring.

Mr. and Mrs. Omar Bates, of Round Valley, and Miss Ruby Tuttle, of Santa Rosa, are planning a leisurely tour of the Pacific Northwest for early August. Mr. Bates passed a number of years in the Indian service in Oregon in his younger days. The party is anticipating much pleasure from a visit to the familiar haunts of by-gone years.

He Did Not Tarry.

G. A. Bryan, of Modesto, arrived in Covelo Friday, having made the drive between the hours of 1 a. m. and 1 p. m. of that day. Mr. Bryan is a brother-in-law of G. M. Woods. He is accompanied by his family and by Mrs. Woods, Sr. The party will pass a month in camp on the river, where they had such a happy time last year that they were anxious to return for another summer. We welcome them back.

Warren McCombs is busy this week making Camp Post ready for the hunting season.

Had A Mishap.

Elmer Bucknel had the misfortune to get a short circuit in his car and burn out the switchboard. A. A. A. relief was necessary to bring him back from the river and repair damages.

Got First Prize.

William E. Cooper was in Friday from his mountain-top home above Dos Rios, bringing with him to display to his friends here the handsome silver trophy cup won at the street parade in Willits July 4. Mr. Cooper appeared in the garb of a California pioneer, winning first prize. The cup is mounted on an ebony base and is handsomely engraved with his name, and the name of the donor, the time, the place and the occasion. Cameramen were interested, and Mr. Cooper may later appear in moving pictures of pioneer life.

Rattlesnakes Numerous.

Rattlesnakes are said to be more than usually numerous this year on the hill ranges. A party, consising of T. F. Spurlock, Cyril Spurlock, Roy O'Ferrall and son passed two and one-half days at a cabin known as the Watkins place, about 25 miles to the northeast in the hills recently, on a sheep and cattle range. In the short time they were there the men killed 15 snakes. Earlier in the summer Earl Long killed a patriarch bearing 11 rattles. He has killed 10 already on his range in the hills to the southwest.

Did Good Business.

An opening day chicken dinner at 75 cents a couple was served Sunday at Covelo Inn Restaurant to mark the the final transition to the new quarters just south of the Covelo Garage. Proprietor William Lee has spent a busy week moving the house to the margin of the street, papering, renovating, putting in booths and cleaning up the premises. A big refrigerator is being built in at the back for the storage of foodstuffs. A convenient lavatory for men is planned, and a rest room for women, just off the entrance. Rubbish has been carted away from the back yard, and the entire lot cleaned up and filled in, preparatory to installing half a dozen cabins for campers. A card room is also contemplated. The public turned out generously to enjoy the dinner, which was served throughout the afternoon.

Had Swimming Party.

Mrs. Georgina Fish was hostess on Wednesday evening to a delightful swimming party in honor of her mother, Mrs. J. O. Watkins, of San Francisco, and of the birthday of Miss Barbara Riffe. The setting was the flat near the ranger station. The young people enjoyed an hour in the warm waters of Eel river while the busy mothers spread the camp table with all sorts of good things to eat, to which sharpened appetites paid noble tribute. Those present to enjoy the occasion included the families of C. G. Fish, C. A. Riffe, A. N. Moore, J. O. Watkins, Robert Lovejoy, L. J. Lane, Mrs. Bostic and Harold Tuttle.

We have joined with Firestone to not only meet *but* BEAT Mail Order and other Special Brand tires *on*

Price-Quality-Service

Come in and see the facts for yourself

YOU no longer need to send for tires by mail, nor do you have to buy tires made by some unknown manufacturer. Firestone prices are now the lowest in tire history, but more important than that, Firestone quality has never been higher.

We've taken the mystery out of tire buying

Visit our store and we will show you the "inside facts" about tires. We have actually cut up new tires and have the cross sections for you to examine—you will easily see why Firestone quality is so outstanding.

Don't worry about punctures and blowouts

Punctures and blowouts are bothersome and most people fear them—but NOW, because of the patented Double Cord Breaker, Firestone has practically eliminated them. Come in and let us show you this feature that puts two extra plies of cord right under the tread where most road wear comes and where punctures and blowouts start.

Compare Prices *and* Specifications

Because Firestone Tires hold all world records on road and track for speed, safety and endurance, many people think they are high priced—but just check these low prices—then compare quality—you will be dollars and miles ahead.

ALL VALUATIONS HAVE DROPPED

Assessment Rolls Of Present Year Show A Falling Off

The assessment of Mendocino county property on which the tax rates for the present fiscal year will be levied has been completed by Assessor Frank Reynolds and a number of interesting facts have been brought out.

Past-Present Valuations.

Mendocino county's assessed valuation is $24,581,952, with a few items yet to come in. That of last year, with all items in, was $24,982,310.

Exemptions under the veterans' exemption bill increased. These exemptions in 1929 totaled $265,145. This year they are $383,945.

Mr. Reynolds' report submitted to supervisors sitting as a board of equalization shows the value of all real estate to be $16,559,110. Improvements on real estate total $1,733,670. Personal property is valued at $2,915,091.

Outside Property.

The asssessed valuation of property outside the various incorporated cities is $19,950,635, divided as follows: First road district $3,466,065, second district $3,508,150, third district $4,510,680, fourth $6,441,910, fifth $2,023,830.

The Town Values.

The total for incorporated towns is as follows: Ukiah $1,788,094, Willits $657,695, Fort Bragg $1,971,757, Point Arena $213,770.

There was a drop amounting to $437,000 in assessed valuations outside incorporated towns this year. The 1929 figure was $20,387,635. On the other hand, valuations within the cities increased $36,641, last year's assessment of incorporated cities having totaled $4,594,675.

What Caused Loss.

The drop in values is attributed to several causes by Assessor Reynolds.

First is the general depreciation in real estate values, especially grazing lands, brought on by the current business slump.

Second, the reduction of hop acreage.

Third, the drop in sheep and wool values.

Fourth, reduction of the personal property roll by the shutting down of mills along the coast, which has resulted in a decline of the number of individual assessments, the reduction of lumber stocks on hand at the mills, and reduction of merchandise stocks and logs.

Fifth, the dearth of manufacturing activity in ties, split stuff, tanbark, etc.

Sixth, the smaller stocks of merchandise kept on hand in all stores.

Seventh, the break in the stock market and reduction of stock values.

Eighth, the fact that practically no stocks of farm produce have been carried over in 1930, while there was considerable in 1929.

The only offsets to the above list are the improvements in Ukiah, and the various new gas stations along the Redwood highway.

E. A. Eversole, was at Fort Bragg Sunday, looking after his political interests.

TALANT TUBBS VISITS IN UKIAH

Candidate For Lieutenant-Governor Makes Good Impression

Tallant Tubbs, state senator of the nineteenth district ,of San Francisco, and candidate for lieutenant governor, was a Ukiah visitor Thursday in the interest of his candidacy. Tubbs is making his campaign on a wet platform and whether one agrees with his views or not, one cannot but give him

TALLANT TUBBS

credit for coming out open and aboveboard on an issue which the average candidate shuns.

Where He Stands.

Mr. Tubbs' platform is contained in the following pronouncement:

"A large part of our citizens know that while the present prohibition laws have done some good, they have done and are doing a great deal of harm. I believe that these laws, rather than representing the desires of a majority of the people, actually represent the efforts of a minority which, by the questionable expenditure of millions of dollars, siezed upon a war-time opportunity to impose this limitation on our civil liberties. I believe that every citizen should obey and help enforce laws, but for the reasons above cited I am for modification."

Scouts Camping At Wesley Ford Ranch

A San Francisco Boy Scout camp has been established at the Wesley Ford ranch on Russian river. At present 27 boys are in the camp, which will be maintained during August with a changing personnel. Last evening the boys held open house for Ukiah visitors.

20 Children Given Shelter By County

At present there are 20 children at the Mendocino county detention home six of whom, all very young, are victims of the whooping cough epidemic that has prevailed here during the spring months. Mrs. Ed Zimmerman, competent matron at the home, and her assisting nurse are kept very busy administering to the six stricken children.

ON VACATION

Mrs. M. F. Potter, accompanied by a party of relatives from Vallejo, is enjoying a vacation in Lassen county and will be absent two weeks.

Leonard W. King, assistant manager of The Clift Hotel was in the city from San Francisco Friday.

CHAS. W. MERO DIED ON COAST

Fort Bragg's Pioneer Laundryman Passed Away Tuesday

Charles William Mero, for many years an employe at the Mendocino state hospital, but more recently of Fort Bragg, died in the coast city Tuesday, July 22, following a long period of failing health. Mr. Mero first came here as head of the receiving ward at the Mendocino state hospital in 1891.

Together with Head Laundryman Jones, of the hospital staff, he went to Fort Bragg 30 years ago where the two successfully operated the coast city's first steam laundry. A wife, six married daughters, including Mrs. H. Shafsky, of Fort Bragg, four brothers and a sister survive. The funeral service was held Friday under the auspices of the Masonic order.

MAY GET WELL

Joe Puett, district official of the Shell Oil Co., was a business visitor here Wednesday from Santa Rosa. Mr. Puett reported Gordon Walker, employe of his company who has been in a serious condition following the accident which caused the death of Miss Bessie Hardisty, as being in a fair way to recovery.

BOAT WAS STOLEN

Police and county officers of northern California were notified Thursday an outboard motor, serial No. K-103747, was stolen Wednesday night at Fort Bragg. Authorities believe the thief might attempt to dispose of the motor along Russian river or in the Bodega bay region of Sonoma county.

Mr. and Mrs. N. J. Kvale were in the city Saturday from Hopland.

Another Victim At Clear Lake Beach

Clear Lake last week claimed its first victim of the 1930 swimming season when Lester E. Hopper, 284 year-old Oakland man, was drowned while on a vacation trip. Mr. Hopper, a good swimmer, is said to have entered the water shortly after partaking of a heavy meal and was seized with cramps. Although a life-saving crew from Austin's resort dragged the man from the water a few minutes later life was extinct.

drink given after the accident, and that his peculiar actions might have been due to his being dazed in the wreck. A witness, H. Lyle, who took the injured to the Cloverdale hospital, testified he smelled no liquor about Mr. Whittaker immediately after the wreck.

Is Employed Here.

Mr. Whittaker is a Ukiah man, driver for the Shell Oil Company.

May Get Well.

Although still in a semi-conscious condition at Healdsburg, Gordon Walker, Ukiah salesman for the Shell Oil Company, is expected to recover from injuries suffered Saturday night when the automobile driven by C. H. Whittaker and in which he was riding overturned on the road near Cloverdale. Miss Bessie Hardisty suffered injuries that proved fatal in the crash. Mr. Walker is suffering a basal fracture of the skull.

Was On Paved Highway.

The Cloverdale Reveille, published at the scene of the recent accident, in which Miss Bessie Hardisty, of Potter Valley, was killed, has this about the case: "The car was traveling on a straight, paved highway, apparently at a high speed. The driver evidently lost control, as it is said wheel tracks showed a zigzag course before the car turned over. Possibly the right wheels got off the pavement and in pulling back on to the highway the driver lost control. After turning over the car slid along the highway about 65 feet. It then turned on its side and landed right side up beside the highway. It was then headed in the opposite direction, had the brakes set and was in reverse."

No Blame Fixed.

Coroner Fred Young, of Healdsburg, conducted an inquest on the death of Miss Hardisty. The jury brounght in a verdict death was due to an automobile accident but did not attempt to fix the blame.

Rumors Were Floating.

There had been rumors the accident was caused by drunken driving on the part of Mr. Whittaker.

Did Not Testify.

There was no evidence at the inquest to show Mr. Whittaker was drunk at the time, but the testimony did show that some time after the accident he showed effects of drinking. It was felt the drinking might have been done after the accident instead of before.

Did Not Testify.

Mr. Whittaker did not testify at the inquest.

Misses Dorothy and Elizabeth Davis, of San Francisco, were week-end visitors at the home of their parents, Mr. and Mrs. W. K. Davis.

Supervisor Chas. R. Perkins was in the city from Fort Bragg yesterday.

NO HUNTING

The Leslie E. Crawford ranch has been closed to all hunters. No trespassing of any nature will be tolerated. There are no permits out and any party caught inside the fences hunting will be prosecuted under the trespass law.

Mr. Langeran has been hunting for bear in the north coast section recently, where varmints have been troubling sheepmen more or less of late and while there he ran down and killed one of the biggest bears ever taken in that section.

Judge J. W. Kingren is home after having been on the coast on professional business.

AGAINST THE VETERANS' WELFARE BOND ACT OF 1929. This act provides for a bond issue of twenty million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes.

(Submitted to the people by the Legislature of the State of California, at its regular session commencing on the seventh day of January, 1929.)

An act authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, for the single object of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the veterans' farm and home purchase act, approved May 20, 1921, and of any and all acts amendatory thereof or supplemental thereto; creating a veterans' welfare finance committee; defining the powers and duties of said committee and of the veterans' welfare board and other state offices in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; appropriating money for the expense of preparing and of advertising the sale of bonds herein authorized to be issued; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, one thousand nine hundred thirty.

The people of the State of California do enact as follows:

SECTION 1. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the veterans' farm and home purchase act approved May 20, 1921, and of any and all acts amendatory of or supplemental to said act, the veterans' welfare finance committee created by this act shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

SEC. 2. After the issuance of the proclamation of the governor, provided for in section 16 of this act, and immediately after adoption of any resolution by the veterans' welfare finance committee hereby created, provided for in section 11 of this act, the state treasurer shall prepare the requisite number of suitable bonds of the denomination of one thousand dollars in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this act shall not exceed the sum of twenty million dollars, and the bonds issued under any such resolution shall bear interest from the date of issuance of said bonds to the date of maturity thereof, at a rate to be determined by the said veterans' welfare finance committee and specified in such resolution, but in no case exceeding six per cent per annum. Both principal and interest shall be payable in gold coin of the United States, of the present standard of value, at the office of the state treasurer, or at the office of any duly authorized agent of the state treasurer, and shall be so payable at the times specified in said resolution or resolutions.

All bonds issued under this act shall bear the facsimile signature of the governor and the facsimile countersignature of the controller and shall be endorsed by the state treasurer either by original signature or by a signature stamp adopted for each particular bond issue under this act and the said bonds shall be signed, countersigned and endorsed by the officers who shall be in office on the date of issuance thereof, and each of said bonds shall bear an impress of the great seal of the State of California. The said bonds so signed, countersigned, endorsed and sealed, when sold, shall be and constitute a valid and binding obligation upon the State of California, although the sale thereof be made at a date or dates upon which the officers having signed, countersigned and endorsed said bonds, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the time of signing, countersigning, or endorsing said bonds. Each bond issued under this act shall contain a clause or clauses stating that interest shall cease to accrue thereon from and after the date of maturity thereof and referring to this act and to the resolution of the veterans' welfare finance committee hereunder by virtue of which said bond is issued.

SEC. 3. The requisite number of suitable interest coupons, appropriately numbered, shall be attached to each bond issued under this act. Said interest coupons shall bear the facsimile signature of the state treasurer who shall be in office on the date of issuance of the bond to which said coupons pertain.

SEC. 4. All bonds issued under this act and sold shall be deemed to have been called in at their respective dates of maturity and the state treasurer shall, on the respective dates of maturity of said bonds, or as soon thereafter as said matured bonds are surrendered to him, pay the same out of the proceeds of the controller's warrants drawn in his favor as provided in section 5 hereof and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. He shall also, on the said respective dates of maturity, cancel all bonds bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof. The provisions of this section shall be applicable also to the interest coupons pertaining to the bonds authorized by this act to be issued, and shall be applicable, as far as practicable, to any duly authorized agent of the state treasurer.

SEC. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the general fund in the state treasury, all of the moneys in the specific fund into which the proceeds from the sale of the said bonds have been covered as herein prescribed, not in excess of the principal of and interest on the said bonds then due and payable and, in the event of such moneys so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the general fund in the state treasury out of said specific fund as soon thereafter as it shall become available, together with interest thereon, from such dates of maturity until so returned, at the rate of five per cent per annum, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the general fund by the controller of the state in favor of the state treasurer or in favor of any duly authorized agent of the state treasurer, upon demands audited by the state board of control, and the moneys to be returned into the general fund in the state treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the controller of the state upon demands duly audited by the state board of control.

SEC. 6. The sum of thirty-five thousand dollars is hereby appropriated out of any money in the state treasury not otherwise appropriated to pay the expenses that may be incurred by the state treasurer in having said bonds prepared and in advertising their sale. Said amount shall be refunded to the general fund in the state treasury out of the specific funds into which the proceeds from the sale of said bonds shall be respectively covered in accordance with the provisions of this act on controller's warrant duly drawn for that purpose.

SEC. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the veterans' welfare board and approved by the governor of the state, but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and with the approval of the governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

SEC. 8. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in one newspaper published in the city and county of San Francisco and also by publication in one newspaper published in the city of Oakland and by publication in one newspaper published in the city of Los Angeles once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the veterans' farm and home building fund and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of the veterans' farm and home purchase act, and of any and all acts amendatory or supplemental to said act; *provided*, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The veterans' welfare board shall be and hereby is authorized, with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control; or, the veterans' welfare board may, with the approval of the director of finance, invest moneys in any of the funds subject to the control of the veterans' welfare board or appropriated for its use, in interest bearing certificates of deposit of state banks having a paid up capital of five hundred thousand dollars or more; *provided*, that the total amount of money so deposited with any one bank shall not exceed a sum equal to fifty per cent of the paid up capital of such bank; *provided, however*, that nothing herein contained shall inhibit or be construed to inhibit the depositing in banks in accordance with the provisions of an act entitled "An act to authorize and control the depositing in banks of moneys belonging to or in the custody of the state and to repeal all acts or parts of acts conflicting with this act," approved April 12, 1923, and of any and all acts amendatory thereof or supplemental thereto, of moneys of any of the funds subject to the control of the veterans' welfare board or appropriated for its use.

Interest accruing upon the deposit of moneys appropriated for the use of the veterans' welfare board or of any of the funds subject to the control of said board shall be paid into and credited to the respective appropriation or fund to which the money so deposited belongs.

SEC. 10. There is hereby created a Veterans' Welfare Finance Committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of veterans' welfare board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The attorney general of the state shall be the legal adviser of the veterans' welfare finance committee.

Upon request of the veterans' welfare board, supported by a statement of the plans and projects of the veterans' welfare board with respect thereto, the veterans' welfare finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said veterans' welfare finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the veterans' welfare finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the veterans' welfare board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; *provided*, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; *provided, further*, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; *and provided, further*, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the veterans' welfare finance committee according to the then prevailing market conditions, but shall in no case exceed six per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals from the date of issuance of said bonds; *provided*, that the interest coupon first payable may, if the veterans' welfare finance committee shall so determine and specify, be payable one year after the date of issuance of said bonds.

SEC. 12. All actual and necessary expenses of the veterans' welfare finance committee and of the members thereof shall be paid out of the fund into which the proceeds from the sale of said bonds shall be covered, upon approval of the state board of control and on controller's warrant duly drawn for that purpose, and shall constitute expenses of the veterans' welfare board.

SEC. 13. The state controller, the state treasurer and the veterans' welfare finance committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney general, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the state.

SEC. 14. This act, if adopted by the people, shall take effect on the fifteenth day of November, 1930, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the veterans' welfare bond act of 1929," and in the same square immediately below said words, "Against the veterans' welfare bond act of 1929," in brevier type shall be printed "This act provides for a bond issue of twenty million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes." Opposite the words "For the veterans' welfare bond act of 1929" and "Against the veterans' welfare bond act of 1929," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the veterans' welfare bond act of 1929" and those voting against the said act shall do so by placing a cross opposite the words "Against the veterans' welfare bond act of 1929." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 16. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 17. It shall be the duty of the secretary of state in accordance with law to have this act published in at least one newspaper in each county or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be held in the month of November, 1930; the costs of publication shall be paid out of the general fund, on controller's warrants duly drawn for that purpose and shall be refunded to the general fund out of the veterans' farm and home building fund. Said refund shall be made upon controller's warrants duly drawn against said fund for said purpose upon demands audited by the state board of control.

SEC. 18. This act may be known and cited as the "Veterans' welfare bond act of 1929."

SEC. 19. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

INJURED LADY IS IMPROVING

Mrs. J. D. Metzler, Who Was Struck By A Freight Car, Better

(Special Correspondence of The Press)

HOPLAND, July 29.—The condition of Mrs. J. D. Metzler is still critical. The injured lady, wife of a Hopland merchant, was knocked down by a freight car on the tracks of the Northwestern Pacific Railroad Friday last. Mrs. Metzler was crossing the tracks at the time of the accident and, unfortunately, just at the moment a train crew was switching cars. During the days following the accident Mrs. Metzler has experienced considerable pain, one of the ribs being broken and, for a time it was feared the lung might have been punctured, bad gashes were sustained about the head and many bruises and cuts about the body developed.

Was Better Yesterday.

However, yesterday Mrs. Metzler showed improvement and while at first little hope was held out for her recovery, the attending physician now thinks the patient may recover, but Mrs. Metzler will be in bed a long time.

Mrs. G. V. Tuggle, Theodore Sierck, Mr. and Mrs. Cliff Cooper and Frank Gerard, of Hopland, motored to Lucerne Sunday.

Official Was Injured.

Constable John Stuttsman suffered a fracture of his right arm Sunday when a car in which he was riding and a machine driven by Freddie Brooks scraped fenders on the Russian river bridge east of here. The impact threw the cars heavily toward the iron railing, which held and so averted a more serious accident, as both cars would have plunged into the river many feet below had the railing given away. Constable Stuttsman was taken to Ukiah for treatment. The car in which he was riding was badly damaged but the Brooks car came out of the accident without much injury.

The luncheon was served on the Russian river. C. E. Dawe is George Dawe's brother. He visited with his brother several days and returned home Friday.

Many River Campers.

There are quite a few people camping along the Russian river near Hopland.

Freddie Brooks has recently returned from his vacation of several days at Mount Hamilton.

Edmund de Freitas for himself has filed a complaint against Charles Prince, seeking to foreclose a mortgage given as security for a note of $1000 in favor of Edward Momme and wife and assigned by them to the plaintiff. The plaintiff seeks the principal and interest since July 19, 1928, at 7 per cent.

Through Lewis Mooney, Wm. R. Lane has filed a complaint against F. L. Clay and Phyllis Clay, seeking to obtain judgment on a note for $1516, dated at Fort Bragg, September 15, 1927, with interest at 6 per cent.

John F. Miller, through Keith Eversole has filed a complaint against Samuel C. Graves, seeking to recover $299.80 alleged to be the balance due on a note dated at Healdsburg, January 4, 1926.

Through A. L. Wessels, Edith Bucknell has filed a complaint in divorce against Charles W. Bucknell, alleging extreme cruelty. The couple was married at Lakeport, October 7, 1925, and separated July 17, 1930. There is one minor child, a son.

Through District Attorney Gibson, proceedings have been begun to confiscate the cars of J. P. Davis of Upper Lake and Mike Krulcich, of Fort Bragg. Davis's car was taken about July 4th and Krulcich's this week. Both are alleged to have been engaged in transporting intoxicating liquor.

Through Charles Kasch, Samuel Pinches has filed a complaint against Homer A. Hansen seeking to recover possession of certain property alleged to have been sold the defendant on a contract for $16,500. The first payment is alleged to have been made and no other and the plaintiff alleges default as grounds for the suit.

Return of sale of personal property consisting of one automobile belonging to the estate of Dallas Stipp, deceased, has been made by the administrator, Arthur B. Stipp. The return shows sale to Gordon Fonderen of Nevada City for $150.

Decree of partial distribution has been filed in the matter of the estate of Edward Stipp, deceased. The sum of $45,309.43 is divided, half going to the widow and the remainder being divided among the eight children. In addition the real and personal property are awarded in accordance with the terms of the will. Other property still remains.

Cigarette Probable Cause Of Field Fire

It is believed a carelessly thrown cigarette was the cause last week of the fire in the grain field near Talmage. A considerable amount of barley, which had been sold the State Hospital by Jos. Cunningham, was destroyed. Ruddick brothers lost some fence and hops and the state also lost some grain.

GOOD ADVICE

(Mendocino Beacon)

It is a good idea for every driver of an auto to watch his step while driving over all bridges at this time of the year for when the flooring is dry the nails are apt to come up in places, making it dangerous for tires. By using a little care a driver can avoid a lot of grief.

Mrs. Boring is survived by her husband, two sons, George and Buddie Boring, of San Jose, two daughters, Mrs. Laura Roble and Mrs. Frances Thurston, and a grandchild, of Oakland. Mrs. Annie Burnight, former local resident, is a sister. Other close relatives reside in the bay district.

Many Camping In Little River Park

(Mendocino Beacon)

Hazy spirals of smoke from a dozen campfires in the park, circling up until lost in the blue, indicate the presence of many campers. Strolling down there Wednesday evening I was surprised to see so many camps located, with everybody happy and loud in their praise for the generous donor of the park which will give so much free happiness and pleasure to thousands of people.—Heavy as is the traffic at this time, it will not in any manner compare with the flow of cars that will be seen along the coast when the Golden Gate bridge is built and the Shoreline Highway is finished. Tourist travel will be Mendocino county's greatest source of income.

FARM BUREAU DIRECTORS MET.

The board of directors of the Mendocino County Farm Bureau met in regular session Monday, July 14, with W. L. Crawford, president, presiding. The following directors were present: H. C. Hunter, Point Arena; Byron Gowan, Boonville; G. T. Clow, Willits; Dr. A. C. Huntley, Manchester; W. G. Collins, Fort Bragg; G. M. Biggar, Covelo; C. M. Avery, Hopland; F. E. Lermond, Albion; L. B. Williams, Potter Valley; C. R. Yarbrough, Redwood Valley.

Postponed Meetings.

With the exception of Point Arena and Fort Bragg Farm Centers, the other centers of the county will hold no meetings during July or August.

Some Satisfying Talk.

Reports of directors on the June meetings showed satisfactory work being done in the various centers. At the Point Arena meeting Dr. McKay gave a most interesting talk on "Contagious Abortion." At the Hopland meeting Mr. Bogardus talked on "Pear Orchard Management," Mr. Foote spoke on "Theory and Practical Application of Moisture Conservation," and Bob Madison, of Santa Rosa, entertained with tricks.

Mr. Collins reported the rivers and harbors bill, signed by the president, authorizes $180,000 for work on Noyo harbor.

Varmints Killed.

The report on coyote control work done in Mendocino county during the month of June, 1930, showed a total kill of 17 coyotes, six bobcats and one bear.

About The Deer.

The question of the deer menace in Mendocino county was again brought up for discussion and the following resolution passed, copies of which were sent to State Chamber of Commerce, Alex Johnson, secretary, California Farm Bureau Federation and the fish and game commission:

"Whereas, certain protected game in this county is a serious menace to many of our orchards and vineyards and other crops; and, whereas, the purpose of game laws is to preserve certain animals for the benefit and sport of hunters; and, whereas, of these animals so protected deer, particularly does and fawns, habitually enter many of the orchards and vineyards of this county, causing untold damage; and, whereas, the owners of said property have no protection against the devastating inroads of said animals except to erect high fences to exclude them; and, whereas, a committee of the Mendocino County Farm Bureau Board of Directors has inspected fences which exclude deer and recommends a woven wire fence seven and one-half feet in height, with one strand of barbed wire six inches above, as being adequate; therefore, be it resolved, by the board of directors of the Mendocino County Farm Bureau that we do hereby request relief for our members against the deer, which are now protected for hunters, and we do recommend that deer tags be made sufficient to provide a fund which would be used for defraying one-half of the expense of a deer-proof fence surrounding the orchards and vineyards and other crops invaded by deer."

Demonstrations Are Held.

Assistant Farm Advisor Foote reported three poultry demonstrations held during the first week of July, also stated that J. E. Coke, extension specialist, had been here to check on results of grass variety tests being conducted in this county. J. E. Brown had conducted an irrigation demonstrations in Potter Valley, discussing the principles and practices of irrigation. A representative from the U. S. Department of Agriculture would be in Round Valley very soon to conduct a T-B test. Mr. Foote stated the sheep of the county are quite free from parasites and conditions are very encouraging. There have been few losses from liver fluke this year, due to the effective control measures employed by the sheepmen.

Want An Agent.

The question of a home demonstration agent for Mendocino county was discussed. All the Farm Centers of the county and the board of directors went on record as being in favor of a home demonstration agent for this county and recommended the same to the board of supervisors.

'Daylight Saving Law' Opposed By Farmers

At a recent meeting of its executive committee, the California Farm Bureau Federation considered the general effects of the daylight saving principle to farming operations and in the interests of its members and of general state agriculture agreed to oppose any legislation action in support of time changing.

Mr. and Mrs. J. H. Rick were in town Tuesday evening from the Ridgewood ranch on a business mission.

Mrs. J. H. Hansen went to Potter Valley Wednesday as vocal solist at the funeral services for Miss Bessie Hardisty.

J. H. Williams Is At Head Of Body

J. H. Williams was elected president of the Sonoma County Motor Car Dealers' Association at a meeting in Sonoma last week. Mr. Williams, who is distributor for northern California for Dodge Bros. motor cars and who is very popular here, will make an excellent executive for the Sonoma motor car dealers.

Mrs. Leta Albertson Schwab has returned to her home in the bay district following a visit of a week with her parents, Mr. and Mrs. Frank Albertson.

Mr. and Mrs. George Goforth, of Covelo, were business visitors here Frday.

PURITY STORE

(Continued From Page One)

and pets in the yard. At still another residence the boys appeared early in the morning and made sufficient noise to disturb the slumber of residents of the home.

Dislike The Intrusion.

In each instance the people annoyed took offense at the invasion of their private property. No housewife wants dodgers thrown into her rooms, the average Ukiah home owner is disinclined to have boys invade their yards and scare the house pets by having a strange dog "sicked" on them; taxpayers do not relish early morning visits of noise-making lads intent on shoving dodgers of some grocery on them.

All Others Obey.

Every concern in Ukiah has agreed to obey the city ordinance against the handbill nuisance, except the Purity Stores and, if the Purity Stores can defy the city and insist, ordinance or no ordinance, they intend to keep on scattering their dodgers, then the ordinance should not be enforced against anyone hereabouts.

Time For A Showdown.

A great many residents of Ukiah are watching the situation and will not be satisfied until a showdown is had and it is learned whether the Purity Stores are going to prevail—whether Ukiah is going to enforce an ordinance against all others, except the Purity Stores.

SUICIDE ENDS

(Continued From Page One)

which, it is believed, flared out a short time before the shooting.

Victim To Recover.

Mr. Pardini is in the Healdsburg General Hospital reported recovering from the wound. He was attacked by Mr. Gonnella, a friend of some years standing, presumably at the culmination of a sudden quarrel. According to information given to District Attorney Lilburn Gibson the men quarreled Sunday night and Mr. Gonnella is said to have gone to a neighboring residence to attempt to borrow a gun. He was unsuccessful there, the Ukiah officers were told, and went to another house, where he borrowed the weapon. He is believed to have lain in ambush and shot Mr. Pardini in the back as the latter passed by on the way to his cabin on the Fiori ranch.

Ran To The Hills.

Mr. Gonnella fled into the hills near the Sonoma county line, officers were told.

MRS. E. KEHOE

(Continued From Page One)

ley, which she had left a short time before. The two ladies had motored to Anderson Valley early in the day to visit with relatives and were on their way home when the tragedy occurred. Fearful of the shorter mountain road to this city Mrs. Van Voast had chosen the longer but less hazardous route to this city for the homeward trip.

To Be Buried Today.

Funeral services for Mrs. Kehoe will be held this morning at 10 o'clock at the Methodist church with Reverend Warren Bonner officiating. Interment will be in the local I. O. O. F. cemetery. The death of Mrs. Kehoe leaves six children motherless. They are as follows: La Verne and Zelpha, who are grown; Merle, Billy, Bennie and Bonnie, the latter five years old, beside whom there is a husband, Edward Kehoe, employe of the Northwestern Pacific Railroad Company, two sisters, Mrs. B. J. Adams and Mrs. A. B. Willis, both of Boonville, and many other relatives.

A Home Lover.

Mrs. Kehoe was a living example of Longfellow's beautiful line, "Home-keeping hearts are happiest." She was devoted to her family and no task was too great for her to undertake when their welfare was at stake. Greatly beloved by all with whom she came in contact the memory of the devoted wife and mother will be revered for many years to come. Mrs. Kehoe was born in this city, the daughter of Mr. and Mrs. Joseph Burke. She was wedded to Mr. Kehoe at Point Arena. Her family connection is a long one and includes the Burke and McGimsey families of Anderson Valley. Edward A. Ivernole, of the Eversole Mortuary, will be in charge of the funeral service and interment.

Mrs. Van Voast Recovering.

Word from Boonville yesterday was to the effect Mrs. Van Voast was recovering from the shock of the accident and except for a sprained shoulder, which was very painful, was as well as could be expected.

Ukiah Physician At Bedside.

She is being attended by Dr. J. H. Hansen, who passed the night at the Pressley home following the accident.

MARRIAGE LICENSES

A marriage license application was made before Clerk H. M. Burke yesterday by Kenneth L. Shaffer and Helen E. Norbach.

TRESPASS NOTICE

Owing to injury done stock it will be necessary to close the property known as the Mann Ranch to all hunters, campers or trespassing of any kind this season.

WRECK PROBE IS ENDED—NO PROSECUTION

State Will Not Probe Mr. Whittaker's Alleged Condition

WHAT THE FACTS ARE

Stupor May Have Been Caused by Excitement Or Shock

Evidence on which to base any more serious charge than that of reckless driving against C. H. Whittaker, of Ukiah, driver of the car in which Miss Bessie Hardisty, 20, of Potter Valley, was riding when she was fatally injured Saturday night a week ago, was lacking at an inquest conducted by Coroner Fred Young at Cloverdale last week. The jury returned a verdict death was due to injuries suffered when the car in which she was riding "accidentally overturned," and fixed no blame for the accident.

Doubt Is Expressed.

E. J. Dole, assistant district attorney, who represented the prosecutor's office at the hearing, declared that, from the evidence brought out, it was unlikely a manslaughter charge would be filed against Mr. Whittaker. Attorney Dole will investigate further, however, he said.

Still In Danger.

Gordon Walker, 33, Ukiah oil salsman, who was injured in the same accident, is reported "holding his own" in the Healdsburg General Hospital, where he is under the care of Dr. J. Walter Seawell. Mr. Walker's condition is still critical, however.

Had Drank Liquor.

Testimony by Dr. Ira Wheeler and Marshal James Ledford, of Cloverdale, they smelled liquor on Mr. Whittaker's breath some time after the accident, was qualified by their admission this might have been due to a

DINUBA GAVE HIM A WELCOME

George M. Mann's Entry Made Much Of In Southern City

The opening of the New Williams Theatre, the recently purchased George Mann showhouse at Dinuba, was announced in a double column front page story in The Dinuba Daily Sentinel Tuesday.

Our Theatre Praised.

Ukiah is mentioned several times in the story as the city of one of the model George M. Mann theatres and the former home of B. F. Adams, manager of the new showhouse in Tulare county, who until recently managed The State Theatre here. Seven usherettes have been engaged for the new theatre, of which Russell Thompson, formerly of the Fort Bragg George Mann showhouse, The Liberty Theatre, is chief operator.

The Man Who Did It.

Construction Engineer Guy Morris, who built the handsome Republican Press building here and remodeled The State Theatre, was in charge of the renovation and remoding of the Dinuba playhouse. W. T. Adams, father of B. F. Adams, former local resident manager, was in charge of the decorations which include two oil canvasses which have been placed on either side of the stage.

Welcomed New Owner.

The opening of the New Williams Theatre was accompanied by a double page of advertising in the Dinuba newspaper inserted by well-wishers in various business enterprises of the city. To date the chain of Redwood Theatres, Inc., includes three in Eureka, one each in Fortuna, Arcata, Fort Bragg, Ukiah and Dinuba and one under construction at Healdsburg, as well as several small houses elsewhere.

W. H. Oppenlander, of Comptche, was a business visitor here recently.

INSTITUTE COMES

Ukiah will be hostess city to the institute of the North Coast Section of the California Teachers' Association to be held October 13, 14, 15. More than 600 teachers of Humboldt, Del Norte and Mendocino counties will be here for the three-day session.

SOON TO GO ON

The long-talked-of night squad for state traffic duty will soon become a reality according to word from Willits last week to the effect Dick White, of that city, had received word of his appointment. At the same time Mr. White qualified a Fort Bragg man also was made eligible. Mr. White was in this city Friday on his way to Sacramento to receive instructions and equipment.

DEER SEASON APPROACHING—ABUSES START

Scores Are Applying For Licenses During Last Hours

DEATH TOLL WAS HEAVY

Carelessness Caused A Loss Of Game And Human Life

The last minute run on hunting licenses has begun and indications point to a score of hunters for every deer in Mendocino county.

Danger Time Here.

Not only is the local exodus to be the greatest in years, but the country is filing up already with "foreign" hunters among whom are the careless fellows who "guess" they see deer and shoot with the result human lives are endangered and many times valuable range animals are shot.

Many Lives Lost.

Last year 27 persons were killed in California in hunting accidents and 88 wounded and field deputies of the division of fish and game are requested to keep a weather eye out for the careless hunter.

Little Game Slaughtered.

Another feature of destruction in the hunting season particularly, is the killing of small game by automobiles used for quick transportation and carelessly handled which run down thousands of small animals. A recent survey showed a rabbit is killed for each mile of highway and road in the United States every year.

Deer Have Suffered.

Reports from Mendocino county show more than a dozen deer have already been killed or crippled this season by careless automobile drivers. Many of these animals drag themselves to secluded spots and die lingering deaths.

INSANE MAN IS A SUICIDE

Harold Hansen Used A Rope To Take His Life Thursday

Harold Hansen, for 27 years a patient at the Mendocino state hospital, committed suicide at the state farm, where he has been employed, Friday morning.

Used A Rope.

The unfortunate man, who was 57 years old, went out with the other patients employed on the farm, but upon arrival at the place of work was missing. A search revealed his body hanging by a rope attached about the neck from a piece of iron pipe on a standard in the open.

Left No Relatives.

As far as is known the man, a native of Norway, had no relatives. Deputy Coroner J. W. Kingren took charge of the investigation and interment was in the burial ground at the hospital.

GO TO LOS ANGELES

Mr. and Mrs. W. D. Allard returned last week from a brief visit in Los Angeles where Mr. Allard secured a good position. Mr. and Mrs. Allard have bought a home in the southern city and will move there shortly to make their permanent home.

SOLD FOUR TRUCKS

Maurice Fuller, local Ford dealer, delivered four new model Ford trucks with the new long wheelbase and dual rear wheels last week. The new owners receiving delivery were Kirk Ford, Redwood Valley; Cunningham Bros., Potter Valley; Frank Rosetti, Redwood Valley, and A. Linser, of Bell Springs.

D. C. Rose, of Laytonville, was in town on business last week.

SUICIDE ENDS MAN HUNT AT LITTLE ITALY

Joseph Gionella Killed Himself Soon After The Shooting

VICTIM WILL GET WELL

Body Of The Would-Be Murderer Found In Nearby Bushes

The body of Joe Goinella, who shot with intent to kill Louis Pardini Monday morning, July 21, in "Little Italy," near Philo, Anderson Valley, was found Friday afternoon by officers who had for several days directed an intensive search for the would-be murderer.

Used Two Shells.

Friday officers picked up a trail that had been passed over several times during their hunt. It led to a thicket, a scant 100 yards from where Mr. Pardini had been wounded. There had been two shells in the gun. The charge from one had gone into Mr. Pardini's head and shoulders. Mr. Goinella had discharged the other after placing the gun in his mouth. The body, with the top of the head blown off by the shotgun charge, was lying in a clump of bushes and the conditions of the remains indicated the suicide had occurred shortly after the shooting which has put Louis Pardini in a Healdsburg hospital.

No New Developments.

The story of the shooting was related last week in The Republican Press and no new details as to the probable cause of the mad act are available except, it is said, in some quarters, the attentions of Mr. Pardini to two nieces of Mr. Goinella did not meet with the approval of the latter and a quarrel ensued Sunday night with the result the shooting occurred the following morning after Joe Goinella had lain in wait all night for his victim.

Long Search Made.

Throughout the week officials had been searching in Anderson Valley and elsewhere for Joseph Gonnella, Philo laborer, who 10 days ago shot Louis Pardini, another ranch laborer, following a quarrel which occurred several days before the shooting but

MADE LAND ENTRY

Geo. E. Kinman and son, of Potter Valley, were in town Wednesday last. Mr. Kinman was called here to prove up on a homstead before Clerk H. M. Burke.

GOES TO SWITZERLAND

Mrs. Eliza Niderost, of Hopland, whose husband, the late Franz Niderost, was a well-known agriculturist of the Sanel Valley, was in town yesterday completing arrangements to return to Switzerland where she will make her home with a sister at Barfallen. Mrs. Niderost has many friends in Hopland to wish her well in her long journey.

HAS BEEN ILL

J. M. McKenzie, well-known local businessman, suffered a heart attack recently which will keep him from duty for a short period.

ON THE COAST

A family party including William Wilson, wife and mother and Mr. and Mrs. Ham Van Nader are enjoying an outing on the Mendocino coast.

ALL SEEMS FAIR

Earl Prather, well-known resident of Philo, was in town Saturday accompanied by his two sons, Marion and Donald. Mr. Prather stated the business outlook, in the apple belt of Mendocino county, is reassuring although fruit prices are somewhat discouraging so far.

DRAWING CROWDS

Ukiah residents are finding miniature golf great sport. Since the opening of the course at Oak and Smith streets Saturday crowds have been present, particularly during the evening hours.

IS IN CITY

Mrs. J. H. Hansen went to San Francisco the first of the week, accompanied by her little daughter, Marion, who will remain in the bay district for a week as the guest of friends.

RETURNS HOME

Miss Irma Hunt returned last week from a visit at Lucerne with relatives. Miss Hunt, who was graduated this year from the Ukiah high school, is considering nursing as a career and may enter a bay city hospital shortly.

Senator Handy's Work Effective

Word has been received here Ukiah is in line for two new bridges, one on the Talmage highway and the other on the Ukiah-Tahoe highway. Senator Fred C. Handy has been working on the bridge replacement some weeks and his quiet, effective influence is again manifested by the semi-official announcement which has come from the capital. It is instances like the above, which frequently crop up, that show Senator Handy is the right man to represent Mendocino county and he should be retained in his present position, where his experience, ability and the high regard he is held in by his senatorial companions make him a representative of powerful influence.

INJURIES WERE UNDER-STATED

Neuhaus Party Arrives Home—Hospital Is Given Much Praise

Mr. and Mrs. Ernest Neuhaus and son, Ernie, Jr., and Nathan Cohn are home from Petaluma where they were in The Petaluma General Hospital several days.

All Severely Hurt.

All of the parties in the wreck suffered more severely than first reports indicated. Mrs. Neuhaus had the tendons in her arm badly cut by flying glass and sustained numerous body injuries. Mr. Neuhaus shows the results of his accident in many ways and has developed a broken shoulder, Nathan Cohn is bruised and cut in various places and, while able to be around, is not fit to do any work.

To Be Long Off Duty.

It would appear as if it will be many weeks before either of the two men will be able to follow their regular duties.

Car Was Demolished.

The fine enclosed Crysler of Mr. Neuhaus was so badly wrecked it was junked and sold for $25.00.

Hospital Is Praised.

Mr. Neuhaus was particularly grateful to the doctors and nurses in The Petaluma General Hospital, stating he found the most perfect service, best food and consistent, intelligent care he had seen. There were numerous nurses on hand at all times and no extra charges were imposed for "special nursing," although all of the party required more than ordinary attention. The cost, too, Mr. Neuhaus says, was most reasonable.

HARRIS PLANT BUILDS HOME

Modern Structure Will House Business Of Local Cleanery

A contract was last week let to Contractor C. W. Gibson by A. L. Harris for the erection of a modern building in which to house the Harris Cleaning & Tailoring plant. Work has already started on the building, which is located on South School street opposite the Fire Department.

To Hurry Completion.

Plans call for a store building 20 feet facing on School street and 60 feet deep. It will be of concrete and stucco and will be so constructed as to permit Mr. Harris adding to it when he desires to expand. Contractor Gibson hopes to finish the building inside of 60 days.

Buys New Machinery.

Mr. Harris has already placed an order for an entirely new and modern equipment and the machinery will be installed before the building is finished.

Cost Of Structure.

It is understood the outlay for the building will run to about $7000.

WRONG POOL WAS NAMED

In the story which The Press printed recently regarding the rescue of a woman in the river at the Levaggi ranch it was stated the near-accident happened at the municipal swimming pool. This was a mistake. The occurrence did happen on the river on the Levaggi ranch, but not at the Municipal pool. The Municipal pool now has excellent bath houses for men and women, many tables for picnickers, seats for people to watch the bathers, ample parking space and the stream has been worked into an ideal swimming pool and is bound to be popular.

MRS. E. KEHOE IS KILLED WHEN AUTO WAS HIT

Ukiah Lady Victim Of Wild Driver Close To Boonville

WAS FORCED OFF ROAD

Machine Of Mrs. Carrie Van Voast Wrecked When Overturned

Feeling was at fever pitch here Sunday when word reached this city Mrs. Hazel Kehoe, wife of Ed Kehoe, met almost instant death when a car driven by Mrs. Carrie Van Voast and said to be occupied by six persons including Mrs. Kehoe, was sideswiped by a green coupe in which three men were driving at breakneck pace. The car sped on leaving the victims scattered over the roadside. The Van Voast car, a heavy Buick sedan, turned over three times following the crash, which occurred on Fairbanks hill about two miles out of Boonville on the highway leading to the Mountain House.

Injuries Of Victims.

Mrs. Kehoe lived about an hour. She suffered a crushed chest and internal injuries. Mrs. Van Voast sustained a badly sprained back and cuts and bruises. The 12-year-old daughter of Mr. and Mrs. A. B. Willis, of Boonville, who is a niece of Mrs. Kehoe, received a broken arm.

Were Driving Wildly.

It is said the green roadster, which dashed on toward Boonville, barely missed another car further on and caused a pedestrian walking the highway near the Live Oak Garage to flee for his life.

Was Crushed To Death.

Every effort is being made to locate the hit and run driver, who will fare badly if apprehended. According to persons who gathered at the scene of the wreck shortly after it occurred the heavy sedan landed against a stump which pierced the back and pinned Mrs. Kehoe, who was riding in the back seat, against the back of the front seat. Although close to death and suffering intensely Mrs. Kehoe's every thought was for her small daughter, Bonnie, who was with her and who escaped with injuries about the legs.

Took Longer Road.

The body of Mrs. Kehoe was taken into Boonville and later brought to this city. Mrs. Van Voast, who also suffered great pain, was taken to the home of her sister, Mrs. Emily Press-

TOM LEHEW TO BE EXECUTED EARLY FRIDAY

The Murderer Of Little Theresa Johnson To Die On Gallows

GIRL GAVE THE FIRST TIP

Telephone Operator's Intuition Solved A Fiendish Crime

Thomas Lehew, 33, slayer of little Theresa Johnson, 7-year-old Mendocino City schoolgirl, will go to his death on the gallows at San Quentin next Friday, it was announced by Warden James B. Holohan.

Killed And Assaulted.

Thomas Lehew was sentenced to death last year, following his conviction of the brutal murder of the girl, whose broken body was found in a clump of rhododendron several hours after she had failed to return home from school May 23, 1929. The girl had been criminally attacked and then strangled to death. Thomas Lehew was arrested several days after the crime.

The First Tip.

The first intimation Thomas Lehew was probably the murderer of little Theresa Johnson came from a young woman employed in a telephone office on the coast. The information was imparted to the officers and the tip, dovetailing in with facts which developed quickly, once Thomas Lehew was under suspicion, resulted later in his making a confession while in the county jail here. The parents of the little victim moved, shortly after the conviction of Thomas Lehew, to Arizona, Mrs. Johnson being unable to live in the vicinity in which her little daughter was murdered.

PURITY STORE DEFIES CITY NUISANCE LAW

Small Boys Scattered Dodgers About Town Wednesday Last

SHOWDOWN IS DESIRED

Either Do Not Discriminate Or Repeal Ordinance

Why is the Purity Grocery immune from prosecution when it violates city ordinances?

In Trouble Before.

City Marshal W. F. Ornbaun, it is known, has had considerable trouble with the employes of the Purity Store in past times. He has remonstrated with the employes about blocking the street and sidewalk. He has been called upon to compel the Purity Store employes to clean out a gutter on South State street which the store employes had clogged with straw and refuse to such an extent it became necessary to open up the face of the intake of a manhole near the F. C. Albertson building.

Was Politely Warned.

Marshal Ornbaun, after the ordinanec became effective, went to the manager of the Purity Store and politely informed him the practice of littering yards and the streets with dodgers must be stopped and was given to understand the head office of the Purity Stores would be advised of the instructions and, an intimation was made, the local manager might comply with the city ordinance. However, Wednesday last two boys were about the city again scattering dodgers. In one nstance the boys went to a residence, opened the door and flung the dodger inside. At another home they went into a private yard and created a commotion, having with them a dog which chased chickens

COAST WOMAN WRECK VICTIM

Mrs. Rosie Bonelli Was Crushed Underneath An Automobile

A shocking and most pitiful accident took place on the coast Saturday when Mrs. Rosie Bonelli was crushed under an Essex touring car and killed. The machine was driven by Mrs. Bonelli's brother-in-law, Pete Martelli, and there were eight occupants in the car, five of them children.

Two Under Car.

The auto was just approaching the Hare creek bridge enroute to Fort Bragg when it skidded in some loose gravel and plunged off the road and turned over. Six of the party were thrown clear of the car but Mr. Martelli and Mrs. Bonelli were pinned beneath the wreck. Passing autoists came upon the scene almost immediately after it happened, and word was quickly sent to Fort Bragg to Coroner Cannarr. Mr. Martelli was helped out and it was found he was not badly hurt, sustaining only bruises and scratches and a severe abrasion near his right eye, but Mrs. Bonelli was tightly caught under the car and it was imperative the wrecked auto be moved. A dozen men were required to lift the auto before it was possible to free Mrs. Bonelli's body. Her face was crushed beyond recognition and her arms and legs were broken. One of the children in the car was the little daughter of the dead woman and her grief at her mother's sudden death was heart-breaking.

Was On A Pleasure Trip.

Mr. Martelli had been to Boyle's camp, where the Bonelli family reside and was taking Mrs. Bonelli and children to Fort Bragg to visit his wife, who was also an occupant of the car.

Miss Joan Fraser is passing a month in the bay district with friends.

NEW DANCE PAVILION

Saturday the Jumbo Wild Men will give their first dance at the new pavilion at Levaggi swimming pool, the Municipal resort. Excellent music will be on hand, a supper service will be arranged and ample parking space provided. The resort promises to prove a popular place with dance lovers.

THE TRUTH "—is also found in frank confession of error."

THE IMPOSSIBLLE

(By Edgar A. Guest)

He never looked for angels here,
Or asked that miracles be done;
With open eyes and judgment clear,
He faced the course that life must run.

The need for kindness and for good,
For patience and for pity too;
Upon this earth he understood,
He asked no more than men can do.

He saw men weary and grow pale,
He saw them suffer scorn and blame;
He knew the best is apt to fail,
The worst his foothold to reclaim.

He met his trials open-eyed,
And bore his burdens best he could;
He knew that every man is tried,
And all must cope with bad and good.

He kept the faith with all he knew,
Was quick to help and slow to sneer;
Though puzzled oft by things men do
He never looked for angels here.

ONE OR THE OTHER

AGAIN LAST WEEK The Purity Chain Grocery Co. defied the city ordinance which says it is unlawful to scatter handbills about the city, Ukiah having a city ordinance forbidding the practice. It was passed because people resented the handbill nuisance. The manager of the local store of The Purity Grocery had been informed he should not send small boys out to distribute the dodgers, but he has done so, after being warned.

It would seem to this newspaper it is the duty of the city marshal to cause the arrest of the manager of the Purity Store here, if he is proven to have sent the little boys out to violate the ordinance; that it is the duty of the city attorney to prosecute the case and that, in the event the evidence warrants it, the city magistrate should impose a fine that would deter the manager from again offending, or else the bars should be let down and everyone who wishes to litter the streets, front yards of residents and the seats of automobiles parked in the business center should be allowed to do so.

The Purity Chain Store should be given none the best of it over residents of Ukiah who own property, contribute to public enterprises, and spend the money they make in Ukiah in this city.

IT DOES NOT PAY

THE OTHER NIGHT, down in condemned row in San Quentin, Red O'Brien, a San Francisco bank robber and bandit, committed suicide. He did so rather than be hung, his execution date having been set and two of his companions in the case having already been executed. Of the occurrence The Oakland Tribune has taken occasion to publish the following very powerful editorial which, without any pulpit attachment, sets forth careers like that of the unfortunate Red O'Brien do not pay. The editorial mentioned reads:

"In the lone and long hours of the prison cell he thought of his wife and baby, wrote a note which bared his soul, and committed suicide. The state, reading the letter of Red O'Brien, sensing its tragedy and drama to the full, feels there must have been some good in the man. As there is good in all men there was good in him, and the great tragedy was not that of his closing hours, but the one which came when, outside in the free air, in his young strength and with his opportunities he ceased to think of wife and baby, took a gun and became an enemy of society. What Red O'Brien wrote in prison is a document to be read by all men who may be tempted as was he. When he armed himself for robbery he became a potential murderer. With two others, he was guilty of a dastardly crime which took from family and community a man innocent of any wrong. All who put guns in their pockets and start upon a career of crime walk in the path taken by Red O'Brien and, sooner or later, will have their long and lone hours from which there is but one retreat. When the young and reckless first give ear to tales of "easy ways" to get money, when fingers first feel the stock of a gun, that is the time to think of wife, babies, mother, and self. In that quiet but fearful eddy which is between the swift current and final plunge Red O'Brien heard clearly voices which in the past he had stifled."

THIS IS THE END

FROM TIME TO TIME, because it was such an unusual story, The Press has commented on "The Last Man's Club." You will recall all about it when you have read a little of the article below: At Stillwater, Minn., a week ago yesterday the curtain went down on the "Last Man's Club" in a room in which were arranged 33 crepe-draped chairs; there were flowers about the room and a more or less funereal atmosphere surrounded the premises as Charles Lockwood said good-bye to his companions in battles of long ago.

Charles Lockwood kept a promise made 45 years ago. He sipped a toast of vinegar—once choice burgundy—to the memory of his dead comrades. A draped chair and a spray of flowers told of the 33 who had died. Alone at the table with the memories of his comrades in Company B, First Minnesota Volunteer Infantry, Mr. Lockwood recited:

"The campfire smoulders—ashes fall;
The clouds are black against the sky.
No tap of drums, no bugle call;
My comrades, all, goodbye."

While the lone survivor made his toast to the dead, talking picture cameras recorded for all time the termination of the only club of its kind in the world.

The final banquet with the final closing of the last man's club was held at Lowell Inn. It was on the site of Lowell Inn, then the Sawyer House, the young men had danced through to the early hours of Sunday morning, April 21, 1861. On September 17, 1885, 34 veterans were still alive. That night they held a celebration. When the party broke up one lone bottle of wine remained on the table.

"Let's make it a last man's club," someone suggested. "The survivor will drink a toast to his comrades." The idea was agreed on. Last Monday Charles Lockwood alone held the last meeting of the club. The records were closed. Records and bottle were turned over to the Stillwater Library, where already the tattered company flag rests.

RATTLESNAKES ARE PLENTIFUL

Unusually Large Number Of Reptiles Are Killed By Party

(Special Correspondence of The Press)

COVELO, July 29. — Loren Long and Roland Brown left Sunday for Osborne station on the forest reserve, where they will be busy the rest of the season making trail on the east side of the river from Osborne to Buck Rock and from Beaver Glade to Buck Rock.

To Have A Party.

The J. S. Rohrbough ranch will be the setting Saturday for a delightful family reunion and birthday dinner for Dr. Fred Carfagni, of San Francisco, who is coming up to pass the week-end and to take back to the city his wife and two daughters who are passing the month of July at the ranch.

Many Going Hunting.

A steady stream of hunters and campers has been pouring through Round Valley into the hills during the last week. Most of those stopping have been here before and are lured back by memories of the outdoor life and the chase. They are coming early, so as to make camp and be ready for the opening day of the hunting season. Those who have had experience stop in Covelo to purchase camp supplies, ammunition and hunting licenses, and to chat with local hunters who know the lay of the land.

The Ladies Worked.

About a dozen members of the Dorcas Aid Society met at the Presbyterian manse Friday afternoon for the regular weekly working stunt. They finished blocks for the covers of two quilts which are being made to fill an order from Mrs. Claude Van Dyke, of Stockton. These quilts are made from scraps of print dresses worn by two small daughters, and will be in years to come treasured keepsakes of a happy childhood.

Is Coming Home.

Assistant Farm Advisor Emmett Spurlock, of Sacramento county, and Mrs. Spurlock will arrive early in the week for a visit at the paternal home on the T. F. Spurlock ranch.

Called On By Relatives.

Mr. and Mrs. Charles Rice enjoyed last week a surprise visit from a group of relatives from the upper Sacramento valley region, who drove across the mountain to see them. The party included the father, O. Holthe, and two sisters of Mrs. Rice, with their families. They are Mr. and Mrs. Geo. Burt and three children, of Vina, Tehama county, and Mr. and Mrs. Roy Clark, of Henleyville. Mrs. Clark will be remembered here as the Worthy Matron of Molino Chapter, O. E. S., who presided at a meeting of Augusta Chapter two years ago when her sister was initiated into that order.

It's A Daughter.

A daughter was born Saturday, July 26, at Ukiah, to Mr. and Mrs. Harold Goforth, of Covelo.

Many Made Flights.

A commercial airplane from Santa Rosa came up Saturday to act as a jitney of the skies, taking passengers up for hire. The owner put in two busy days. Accompanying him on the trip was a nephew of Mrs. T. J. Lowry. The time from Santa Rosa to Ukiah was one hour and thirty minutes.

The John Perry home has as guests a daughter, Mrs. Frank Dane, and her friend, Mrs. Elmo Dempsey, both of San Francisco.

Dorcas Aid Program.

The July missionary meeting of the Dorcas Aid Society was put on by Mrs. D. T. Johnson, chairman of stewardship, with the help of her Sunday school class. The program took the place of the regular Sunday evening service. Very charming indeed were the eight bright little faces as they presented Scripture reading, playlet and tableau, pleading the cause of missions. Mrs. Burnham read a story of the old-time missionary box. Mrs. Goforth and Mrs. Rohrbough with Mrs. Redwine at the piano contributed three delightful duets. President Merry O'Ferrall conducted the opening and Rev. H. L. Burnham gave a short talk on the spirit of missions.

Mrs. J. O. Watkins and daughter, Emma, returned Monday to their home in San Francisco after a week's visit with her daughter, Mrs. C. G. Fish.

Miss Margaret English, of Santa Rosa, is passing the summer with her grandparents, Mr. and Mrs. L. B. English, while her parents are at Ukiah where her father is receiving medical treatment.

Mrs. Charles Lee left this week for Willits to visit her daughter, Mrs. George Black, who resides on the Outlet ranch. Mrs. Lee has been a guest for some weeks at the home of her mother, Mrs. Molissa Gravier.

Is Building Barn.

Walter Wilson is busy with the construction of a new barn on his ranch on Williams creek. Mr. Wilson has as guests this week Mr. and Mrs. H. Manlock, of San Francisco, who are taking an active interest in the building operations.

Mrs. D. R. Drewry was summoned to Ukiah during the week by the serious illness of her daughter, Harlene.

Victim Is Better.

The condition of little Betty Weismuller is steadily improvng followng injuries and shock received when struck by a car early in the week.

Mr. and Mrs. J. M. Wilson and little daughter, Mary, are back from a brief visit in Fort Bragg. Jock, Jr., is enjoying a longer time with friends in the coast city.

After Star Thistle.

Glenn Barrass and his brother, Lloyd, are busy with a steady and determined campaign to clean their ranch from the ravages of star thistle. They are combating it both by burning and by cutting. G. C. Bauer also has a crew of men at work on the same problem on the Haydon ranch adjoining, which he is farming.

Mrs. Molissa Gravier left at the end of the week for a visit with her son, George, at Vacaville. She will be away several weeks.

Mr. and Mrs. Clark Hill, of Farley, passed a day as guests of their brother at Hotel Covelo during the week.

Mr. and Mrs. Linden Short were in from their mountain home Wednesday.

Brother Was Guest.

Game Warden Earl Caldwell entertained during the week as guests members of his family and of his official family, among whom were his brother, Roy, of Sacramento, and Captain Dave Dondero and son, chief of wardens in this district.

Mr. and Mrs. Orrin Barnes, of Humboldt county, who have been visiting in this vicinity, drove to Willits early in the week.

Accidents Plentiful.

Many minor automobile accidents are occurring on our streets and about the valley. Reports of an average of more than one daily are current. Cars have been damaged more or less severely. The serious injury to little Betty Weismuller is the only recent case of injury to human life, but it behooves drivers and officials to exercise more care to prevent disaster.

Bey Barnwell was in town a short time during the middle of the week, having brought his father-in-law, Tod Hurt, home from an extended visit in Humboldt county.

Have Gone Home.

Mr. and Mrs. Dave Robinson, of Los Angeles, who have been guests in the E. A. Gravier home, left Wednesday for the southern metropolis. Hosts and guests have a common bond of interest in the same strapping young four-year-old grandson, the Robinsons' daughter being the wife of Mrs. Gravier's son, Alfred Motander. The Robinsons have been for several weeks touring the Pacific northwest. They took a short run into Mexico before heading toward the north. They went by way of Colorado into the Yellowstone country, then the Columbia Highway into Washington and Oregon, following the Redwood Highway down the California coast. Their entire trip covered about 6000 miles.

County Recorder James R. Elder called on Round Valley voters during the week.

A Real Onion.

Olaf Johnson, of Poonkinney, was exhibiting this week in Covelo, a home-grown two and one-half pound big red onion of the type which has made the J. Figone gardens of Talmage famous in this section.

Came To Shop.

Walter Foster, John Brightenstine, Harvey Brightenstine, Mr. and Mrs. W. W. Reed and Leon Terry were among the mountain visitors seen on the streets of Covelo during the week.

I. B. Barrass and daughter, Miss Ardelle Barrass, have been guests at the Glenn Barrass farm home in Round Valley during the week.

To Go Motoring.

Mr. and Mrs. Omar Bates, of Round Valley, and Miss Ruby Tuttle, of Santa Rosa, are planning a leisurely tour of the Pacific Northwest for early August. Mr. Bates passed a number of years in the Indian service in Oregon in his younger days. The party is anticipating much pleasure from a visit to the familiar haunts of by-gone years.

He Did Not Tarry.

G. A. Bryan, of Modesto, arrived in Covelo Friday, having made the drive between the hours of 1 a. m. and 1 p. m. of that day. Mr. Bryan is a brother-in-law of G. M. Woods. He is accompanied by his family and by Mrs. Woods, Sr. The party will pass a month in camp on the river, where they had such a happy time last year that they were anxious to return for another summer. We welcome them back.

Warren McCombs is busy this week making Camp Post ready for the hunting season.

Had A Mishap.

Elmer Bucknel had the misfortune to get a short circuit in his car and burn out the switchboard. A. A. A. relief was necessary to bring him back from the river and repair damages.

Got First Prize.

William E. Cooper was in Friday from his mountain-top home above Dos Rios, bringing with him to display to his friends here the handsome silver trophy cup won at the street parade in Willits July 4. Mr. Cooper appeared in the garb of a California pioneer, winning first prize. The cup is mounted on an ebony base and is handsomely engraved with his name, and the name of the donor, the time, the place and the occasion. Cameramen were interested, and Mr. Cooper may later appear in moving pictures of pioneer life.

Rattlesnakes Numerous.

Rattlesnakes are said to be more than usually numerous this year on the hill ranges. A party, consising of T. F. Spurlock, Cyril Spurlock, Roy O'Ferrall and son passed two and one-half days at a cabin known as the Watkins place, about 25 miles to the northeast in the hills recently, on a sheep and cattle range. In the short time they were there the men killed 15 snakes. Earlier in the summer Earl Long killed a patriarch bearing 11 rattles. He has killed 10 already on his range in the hills to the southwest.

Did Good Business.

An opening day chicken dinner at 75 cents a couple was served Sunday at Covelo Inn Restaurant to mark the the final transition to the new quarters just south of the Covelo Garage. Proprietor William Lee has spent a busy week moving the house to the margin of the street, papering, renovating, putting in booths and cleaning up the premises. A big refrigerator is being built in at the back for the storage of foodstuffs. A convenient lavatory for men is planned, and a rest room for women, just off the entrance. Rubbish has been carted away from the back yard, and the entire lot cleaned up and filled in, preparatory to installing half a dozen cabins for campers. A card room is also contemplated. The public turned out generously to enjoy the dinner, which was served throughout the afternoon.

Had Swimming Party.

Mrs. Georgina Fish was hostess on Wednesday evening to a delightful swimming party in honor of her mother, Mrs. J. O. Watkins, of San Francisco, and of the birthday of Miss Barbara Riffe. The setting was the flat near the ranger station. The young people enjoyed an hour in the warm waters of Eel river while the busy mothers spread the camp table with all sorts of good things to eat, to which sharpened appetites paid noble tribute. Those present to enjoy the occasion included the families of C. G. Fish, C. A. Riffe, A. N. Moore, J. O. Watkins, Robert Lovejoy, L. J. Lane, Mrs. Bostic and Harold Tuttle.

Nothing Overlooked.

Already Dr. Strong has moved four patients into the building by ambulance. The hospital will include an up-to-date operating room and special quarters for maternty cases. Dr. Strong has been at Upper Lake about a year and has found much to do in his profession.

ALL VALUATIONS HAVE DROPPED

Assessment Rolls Of Present Year Show A Falling Off

The assessment of Mendocino county property on which the tax rates for the present fiscal year will be levied has been completed by Assessor Frank Reynolds and a number of interesting facts have been brought out.

Past-Present Valuations.

Mendocino county's assessed valuation is $24,581,952, with a few items yet to come in. That of last year, with all items in, was $24,982,310.

Exemptions under the veterans' exemption bill increased. These exemptions in 1929 totaled $265,145. This year they are $383,945.

Mr. Reynolds' report submitted to supervisors sitting as a board of equalization shows the value of all real estate to be $16,559,110. Improvements on real estate total $1,733,670. Personal property is valued at $2,915,091.

Outside Property.

The asssessed valuation of property outside the various incorporated cities is $19,950,635, divided as follows: First road district $3,466,065, second district $3,508,150, third district $4,510,680, fourth $6,441,910, fifth $2,023,830.

The Town Values.

The total for incorporated towns is as follows: Ukiah $1,788,094, Willits $657,695, Fort Bragg $1,971,757, Point Arena $213,770.

There was a drop amounting to $437,000 in assessed valuations outside incorporated towns this year. The 1929 figure was $20,387,635. On the other hand, valuations within the cities increased $36,641, last year's assessment of incorporated cities having totaled $4,594,675.

What Caused Loss.

The drop in values is attributed to several causes by Assessor Reynolds.

First is the general depreciation in real estate values, especially grazing lands, brought on by the current business slump.

Second, the reduction of hop acreage.

Third, the drop in sheep and wool values.

Fourth, reduction of the personal property roll by the shutting down of mills along the coast, which has resulted in a decline of the number of individual assessments, the reduction of lumber stocks on hand at the mills, and reduction of merchandise stocks and logs.

Fifth, the dearth of manufacturing activity in ties, split stuff, tanbark, etc.

Sixth, the smaller stocks of merchandise kept on hand in all stores.

Seventh, the break in the stock market and reduction of stock values.

Eighth, the fact that practically no stocks of farm produce have been carried over in 1930, while there was considerable in 1929.

The only offsets to the above list are the improvements in Ukiah, and the various new gas stations along the Redwood highway.

E. A. Eversole, was at Fort Bragg Sunday, looking after his political interests.

TALANT TUBBS VISITS IN UKIAH

Candidate For Lieutenant-Governor Makes Good Impression

Tallant Tubbs, state senator of the nineteenth district ,of San Francisco, and candidate for lieutenant governor, was a Ukiah visitor Thursday in the interest of his candidacy. Tubbs is making his campaign on a wet platform and whether one agrees with his views or not, one cannot but give him

TALLANT TUBBS

credit for coming out open and aboveboard on an issue which the average candidate shuns.

Where He Stands.

Mr. Tubbs' platform is contained in the following pronouncement:

"A large part of our citizens know that while the present prohibition laws have done some good, they have done and are doing a great deal of harm. I believe that these laws, rather than representing the desires of a majority of the people, actually represent the efforts of a minority which, by the questionable expenditure of millions of dollars, siezed upon a war-time opportunity to impose this limitation on our civil liberties. I believe that every citizen should obey and help enforce laws, but for the reasons above cited I am for modification."

Scouts Camping At Wesley Ford Ranch

A San Francisco Boy Scout camp has been established at the Wesley Ford ranch on Russian river. At present 27 boys are in the camp, which will be maintained during August with a changing personnel. Last evening the boys held open house for Ukiah visitors.

20 Children Given Shelter By County

At present there are 20 children at the Mendocino county detention home six of whom, all very young, are victims of the whooping cough epidemic that has prevailed here during the spring months. Mrs. Ed Zimmerman, competent matron at the home, and her assisting nurse are kept very busy administering to the six stricken children.

ON VACATION

Mrs. M. F. Potter, accompanied by a party of relatives from Vallejo, is enjoying a vacation in Lassen county and will be absent two weeks.

Charles William Mero, for many years an employe at the Mendocino state hospital, but more recently of Fort Bragg, died in the coast city Tuesday, July 22, following a long period of failing health. Mr. Mero first came here as head of the receiving ward at the Mendocino state hospital in 1891.

Together with Head Laundryman Jones, of the hospital staff, he went to Fort Bragg 30 years ago where the two successfully operated the coast city's first steam laundry. BOAT WAS STOLEN

Police and county officers of northern California were notified Thursday an outboard motor, serial No. K-103747, was stolen Wednesday night at Fort Bragg. Authorities believe the thief might attempt to dispose of the motor along Russian river or in the Bodega bay region of Sonoma county.

Mr. and Mrs. N. J. Kvale were in the city Saturday from Hopland.

Another Victim At Clear Lake Beach

Clear Lake last week claimed its first victim of the 1930 swimming season when Lester E. Hopper, 284 year-old Oakland man, was drowned while on a vacation trip. Mr. Hopper, a good swimmer, is said to have entered the water shortly after partaking of a heavy meal and was seized with cramps. Although a life-saving crew from Austin's resort dragged the man from the water a few minutes later life was extinct.

drink given after the accident, and that his peculiar actions might have been due to his being dazed in the wreck. A witness, H. Lyle, who took the injured to the Cloverdale hospital, testified he smelled no liquor about Mr. Whittaker immediately after the wreck.

Is Employed Here.

Mr. Whittaker is a Ukiah man, driver for the Shell Oil Company.

May Get Well.

Although still in a semi-conscious condition at Healdsburg, Gordon Walker, Ukiah salesman for the Shell Oil Company, is expected to recover from injuries suffered Saturday night when the automobile driven by C. H. Whittaker and in which he was riding overturned on the road near Cloverdale. Miss Bessie Hardisty suffered injuries that proved fatal in the crash. Mr. Walker is suffering a basal fracture of the skull.

Was On Paved Highway.

The Cloverdale Reveille, published at the scene of the recent accident, in which Miss Bessie Hardisty, of Potter Valley, was killed, has this about the case: "The car was traveling on a straight, paved highway, apparently at a high speed. The driver evidently lost control, as it is said wheel tracks showed a zigzag course before the car turned over. Possibly the right wheels got off the pavement and in pulling back on to the highway the driver lost control. After turning over the car slid along the highway about 65 feet. It then turned on its side and landed right side up beside the highway. It was then headed in the opposite direction, had the brakes set and was in reverse."

No Blame Fixed.

Coroner Fred Young, of Healdsburg, conducted an inquest on the death of Miss Hardisty. The jury brought in a verdict death was due to an automobile accident but did not attempt to fix the blame.

Rumors Were Floating.

There had been rumors the accident was caused by drunken driving on the part of Mr. Whittaker.

Did Not Testify.

There was no evidence at the inquest to show Mr. Whittaker was drunk at the time, but the testimony did show that some time after the accident he showed effects of drinking. It was felt the drinking might have been done after the accident instead of before.

Did Not Testify.

Mr. Whittaker did not testify at the inquest.

Misses Dorothy and Elizabeth Davis, of San Francisco, were week-end visitors at the home of their parents, Mr. and Mrs. W. K. Davis.

Supervisor Chas. R. Perkins was in the city from Fort Bragg yesterday.

NO HUNTING

The Leslie E. Crawford ranch has been closed to all hunters. No trespassing of any nature will be tolerated. There are no permits out and any party caught inside the fences hunting will be prosecuted under the trespass law.

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be holden on the fourth day of November, A. D. 1930.

FRANK C. JORDAN,
Secretary of State.

FOR THE VETERANS' WELFARE BOND ACT OF 1929. This act provides for a bond issue of twenty million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes.

1 ——

AGAINST THE VETERANS' WELFARE BOND ACT OF 1929. This act provides for a bond issue of twenty million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes.

(Submitted to the people by the Legislature of the State of California, at its regular session commencing on the seventh day of January, 1929.)

An act authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, for the single object of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the veterans' farm and home purchase act, approved May 30, 1921, and of any and all acts amendatory thereof or supplemental thereto; creating a veterans' welfare finance committee; defining the powers and duties of said committee and of the veterans' welfare board and other state offices in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; appropriating money for the expense of preparing and of advertising the sale of bonds herein authorized to be issued; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, one thousand nine hundred thirty.

The people of the State of California do enact as follows:

SECTION 1. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the veterans' farm and home purchase act approved May 30, 1921, and of any and all acts amendatory of or supplemental to said act, the veterans' welfare finance committee created by this act shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

SEC. 2. After the issuance of the proclamation of the governor, provided for in section 16 of this act, and immediately after adoption of any resolution by the veterans' welfare finance committee hereby created, provided for in section 11 of this act, the state treasurer shall prepare the requisite number of suitable bonds of the denomination of one thousand dollars in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this act shall not exceed the sum of twenty million dollars, and the bonds issued under any such resolution shall bear interest from the date of issuance of said bonds to the date of maturity thereof, at a rate to be determined by the said veterans' welfare finance committee and specified in such resolution, but in no case exceeding six per cent per annum. Both principal and interest shall be payable in gold coin of the United States, of the present standard of value, at the office of the state treasurer, or at the office of any duly authorized agent of the state treasurer, and shall be so payable at the times specified in said resolution or resolutions.

All bonds issued under this act shall bear the facsimile signature of the governor and the facsimile counter-signature of the controller and shall be endorsed by the state treasurer either by original signature or by a signature stamp adopted for each particular bond issue under this act and the said bonds shall be signed, countersigned and endorsed by the officers who shall be in office on the date of issuance thereof, and each of said bonds shall bear an impress of the great seal of the State of California. The said bonds so signed, countersigned, endorsed and sealed, when sold, shall be and constitute a valid and binding obligation upon the State of California, although the sale thereof be made at a date or dates upon which the officers having signed, countersigned and endorsed said bonds, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the time of signing, countersigning, or endorsing said bonds. Each bond issued under this act shall contain a clause or clauses stating that interest shall cease to accrue thereon from and after the date of maturity thereof and referring to this act and to the resolution of the veterans' welfare finance committee hereunder by virtue of which said bond is issued.

SEC. 3. The requisite number of suitable interest coupons, appropriately numbered, shall be attached to each bond issued under this act. Said interest coupons shall bear the facsimile signature of the state treasurer who shall be in office on the date of issuance of the bond to which said coupons pertain.

SEC. 4. All bonds issued under this act and sold shall be deemed to have been called in at their respective dates of maturity and the state treasurer shall, on the respective dates of maturity of said bonds, or as soon thereafter as said matured bonds are surrendered to him, pay the same out of the proceeds of the controller's warrants drawn in his favor as provided in section 5 hereof and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. He shall also, on the said respective dates of maturity, cancel all bonds bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof. The provisions of this section shall be applicable also to the interest coupons pertaining to the bonds authorized by this act to be issued, and shall be applicable, as far as practicable, to any duly authorized agent of the state treasurer.

SEC. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the general fund in the state treasury, all of the moneys in the specific fund into which the proceeds from the sale of the said bonds have been covered as herein prescribed, not in excess of the principal of and interest on the said bonds then due and payable and, in the event of such moneys so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the general fund in the state treasury out of said specific fund as soon thereafter as it shall become available, together with interest thereon, from such dates of maturity until so returned, at the rate of five per cent per annum, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the general fund by the controller of the state in favor of the state treasurer or in favor of any duly authorized agent of the state treasurer, upon demands audited by the state board of control, and the moneys to be returned into the general fund in the state treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the controller of the state upon demands duly audited by the state board of control.

SEC. 6. The sum of thirty-five thousand dollars is hereby appropriated out of any money in the state treasury not otherwise appropriated to pay the expenses that may be incurred by the state treasurer in having said bonds prepared and in advertising their sale. Said amount shall be refunded to the general fund in the state treasury out of the specific funds into which the proceeds from the sale of said bonds shall be respectively covered in accordance with the provisions of this act on controller's warrant duly drawn for that purpose.

SEC. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the veterans' welfare board and approved by the governor of the state, but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and with the approval of the governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

SEC. 8. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in one newspaper published in the city and county of San Francisco and also by publication in one newspaper published in the city of Oakland and by publication in one newspaper published in the city of Los Angeles once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the veterans' farm and home building fund and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of the veterans' farm and home purchase act, and of any and all acts amendatory or supplemental to said act; *provided*, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The veterans' welfare board shall be and hereby is authorized, with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control; or, the veterans' welfare board may, with the approval of the director of finance, invest moneys in any of the funds subject to the control of the veterans' welfare board or appropriated for its use, in interest bearing certificates of deposit of state banks having a paid up capital of five hundred thousand dollars or more; *provided*, that the total amount of money so deposited with any one bank shall not exceed a sum equal to fifty per cent of the paid up capital of such bank; *provided, however*, that nothing herein contained shall inhibit or be construed to inhibit the depositing in banks in accordance with the provisions of an act entitled "An act to authorize and control the depositing in banks of moneys belonging to or in the custody of the state and to repeal all acts or parts of acts conflicting with this act," approved April 12, 1923, and of any and all acts amendatory thereof or supplemental thereto, of moneys of any of the funds subject to the control of the veterans' welfare board or appropriated for its use.

Interest accruing upon the deposit of moneys appropriated for the use of the veterans' welfare board or of any of the funds subject to the control of said board shall be paid into and credited to the respective appropriation or fund to which the money so deposited belongs.

SEC. 10. There is hereby created a Veterans' Welfare Finance Committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of veterans' welfare board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The attorney general of the state shall be the legal adviser of the veterans' welfare finance committee.

Upon request of the veterans' welfare board, supported by a statement of the plans and projects of the veterans' welfare board with respect thereto, the veterans' welfare finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said veterans' welfare finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

4. The number, numerical sequence, amount or amounts and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the veterans' welfare finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the veterans' welfare board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; *provided*, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; *provided, further*, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; *and provided, further*, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the veterans' welfare finance committee according to the then prevailing market conditions, but shall in no case exceed six per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals from the date of issuance of said bonds; *provided*, that the interest coupon first payable may, if the veterans' welfare finance committee shall so determine and specify, be payable one year after the date of issuance of said bonds.

SEC. 12. All actual and necessary expenses of the veterans' welfare finance committee and of the members thereof shall be paid out of the fund into which the proceeds from the sale of said bonds shall be covered, upon approval of the state board of control and on controller's warrant duly drawn for that purpose, and shall constitute expenses of the veterans' welfare board.

SEC. 13. The state controller, the state treasurer and the veterans' welfare finance committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney general, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the state.

SEC. 14. This act, if adopted by the people, shall take effect on the fifteenth day of November, 1930, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 16. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 17. It shall be the duty of the secretary of state in accordance with law to have this act published in at least one newspaper in each county or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be held in the month of November, 1930, the cost of publication shall be paid out of the general fund, on controller's warrants duly drawn for that purpose and shall be refunded to the general fund out of the veterans' farm and home building fund. Said refund shall be made upon controller's warrants duly drawn against said fund for said purpose upon demands audited by the state board of control.

SEC. 18. This act may be known and cited as the "Veterans welfare bond act of 1929."

SEC. 19. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

INJURED LADY IS IMPROVING

Mrs. J. D. Metzler, Who Was Struck By A Freight Car, Better

(Special Correspondence of The Press)

HOPLAND, July 29.—The condition of Mrs. J. D. Metzler is still critical. The injured lady, wife of a Hopland merchant, was knocked down by a freight car on the tracks of the Northwestern Pacific Railroad Friday last. Mrs. Metzler was crossing the tracks at the time of the accident and, unfortunately, just at the moment a train crew was switching cars. During the days following the accident Mrs. Metzler has experienced considerable pain, one of the ribs being broken and, for a time it was feared the lung might have been punctured, bad gashes were sustained about the head and many bruises and cuts about the body developed.

Was Better Yesterday.

However, yesterday Mrs. Metzler showed improvement and while at first little hope was held out for her recovery, the attending physician now thinks the patient may recover, but Mrs. Metzler will be in bed a long time.

The impact threw the cars heavily toward the iron railing, which held and so averted a more serious accident, as both cars would have plunged into the river many feet below had the railing given away. Constable Stuttsman was taken to Ukiah for treatment. The car in which he was riding was badly damaged but the Brooks car came out of the accident without much injury.

Cigarette Probable Cause Of Field Fire

It is believed a carelessly thrown cigarette was the cause last week of the fire in the grain field near Talmage. A considerable amount of barley, which had been sold the State Hospital by Jos. Cunningham, was destroyed. Ruddick brothers lost some fence and hops and the state also lost some grain.

GOOD ADVICE

(Mendocino Beacon)

It is a good idea for every driver of an auto to watch his step while driving over all bridges at this time of the year for when the flooring is dry the nails are apt to come up in places, making it dangerous for tires. By using a little care a driver can avoid a lot of grief.

FUNERAL HELD IN THE SOUTH

Mrs. P. J. Boring Buried In San Jose Last Thursday

Funeral services were held at San Jose Thursday afternoon for Mrs. P. J. Boring, whose passing Tuesday was reported in the last issue of The Republican Press.

Was Former Resident.

Mrs. Boring was prominent here in social, church and fraternal circles and her passing is sincerely mourned. She was a member of Kingsley Chapter, Order of Eastern Star, the Saturday Afternoon Club and many other local organizations.

The Sorrowing Family.

Mrs. Boring is survived by her husband, two sons, George and Buddie Boring, of San Jose, two daughters, Mrs. Laura Roble and Mrs. Frances Thurston, and a grandchild, of Oakland. Mrs. Annie Burnight, former local resident, is a sister. Other close relatives reside in the bay district.

Many Camping In Little River Park

(Mendocino Beacon)

Hazy spirals of smoke from a dozen campfires in the park, circling up until lost in the blue, indicate the presence of many campers. Strolling down there Wednesday evening I was surprised to see so many camps located, with everybody happy and loud in their praise for the generous donor of the park which will give so much free happiness and pleasure to thousands of people.—Heavy as is the traffic at this time, it will not in any manner compare with the flow of cars that will be seen along the coast when the Golden Gate bridge is built and the Shoreline Highway is finished. Tourist travel will be Mendocino county's greatest source of income.

FARM BUREAU DIRECTORS MET

The board of directors of the Mendocino County Farm Bureau met in regular session Monday, July 14, with W. L. Crawford, president, presiding. The following directors were present: H. C. Hunter, Point Arena; Byron Gowan, Boonville; G. T. Clow, Willits; Dr. A. C. Huntley, Manchester; W. G. Collins, Fort Bragg; G. M. Biggar, Covelo; C. M. Avery, Hopland; F. E. Lermend, Albion; L. B. Williams, Potter Valley; C. R. Yarbrough, Redwood Valley.

Postponed Meetings.

With the exception of Point Arena and Fort Bragg Farm Centers, the other centers of the county will hold no meetings during July or August.

Some Satisfying Talk.

Reports of directors on the June meetings showed satisfactory work being done in the various centers. At the Point Arena meeting Dr. McKay gave a most interesting talk on "Contagious Abortion." At the Hopland meeting Mr. Bogardus talked on "Pear Orchard Management," Mr. Foote spoke on "Theory and Practical Application of Moisture Conservation," and Bob Madison, of Santa Rosa, entertained with tricks.

Mr. Collins reported the rivers and harbors bill, signed by the president, authorizes $180,000 for work on Noyo harbor.

Varmints Killed.

The report on coyote control work done in Mendocino county during the month of June, 1930, showed a total kill of 17 coyotes, six bobcats and one bear.

About The Deer.

The question of the deer menace in Mendocino county was again brought up for discussion and the following resolution passed, copies of which were sent to State Chamber of Commerce, Alex Johnson, secretary, California Farm Bureau Federation and the fish and game commission:

"Whereas, certain protected game in this county is a serious menace to many of our orchards and vineyards and other crops; and, whereas, the purpose of game laws is to preserve certain animals for the benefit and sport of hunters; and, whereas, of these animals so protected deer, particularly does and fawns, habitually enter many of the orchards and vineyards of this county, causing untold damage; and, whereas, the owners of said property have no protection against the devastating inroads of said animals except to erect high fences to exclude them; and, whereas, a committee of the Mendocino County Farm Bureau Board of Directors has inspected fences which exclude deer and recommends a woven wire fence seven and one-half feet in height, with one strand of barbed wire six inches above, as being adequate; therefore, be it resolved, by the board of directors of the Mendocino County Farm Bureau that we do hereby request relief for our members against the deer, which are now protected for hunters, and we do recommend that deer tags be made sufficient to provide a fund which would be used for defraying one-half of the expense of a deer-proof fence surrounding the orchards and vineyards and other crops invaded by deer."

Demonstrations Are Held.

Assistant Farm Advisor Foote reported three poultry demonstrations held during the first week of July, also stated that J. E. Coke, extension specialist, had been here to check on results of grass variety tests being conducted in this county. J. E. Brown had conducted an irrigation demonstrations in Potter Valley, discussing the principles and practices of irrigation. A representative from the U. S. Department of Agriculture would be in Round Valley very soon to conduct a T-B test. Mr. Foote stated the sheep of the county are quite free from parasites and conditions are very encouraging. There have been few losses from liver fluke this year, due to the effective control measures employed by the sheepmen.

Want An Agent.

The question of a home demonstration agent for Mendocino county was discussed. All the Farm Centers of the county and the board of directors went on record as being in favor of a home demonstration agent for this county and recommended the same to the board of supervisors.

'Daylight Saving Law' Opposed By Farmers

At a recent meeting of its executive committee, the California Farm Bureau Federation considered the general effects of the daylight saving principle to farming operations and in the interests of its members and of general state agriculture agreed to oppose any legislation action in support of time changing.

Mr. and Mrs. J. H. Rick were in town Tuesday evening from the Ridgewood ranch on a business mission.

Mrs. J. H. Hansen went to Potter Valley Wednesday as vocal solist at the funeral services for Miss Bessie Hardisty.

J. H. Williams Is At Head Of Body

J. H. Williams was elected president of the Sonoma County Motor Car Dealers' Association at a meeting in Sonoma last week. Mr. Williams, who is distributor for northern California for Dodge Bros. motor cars and who is very popular here, will make an excellent executive for the Sonoma motor car dealers.

Mrs. Leta Albertson Schwab has returned to her home in the bay district following a visit of a week with her parents, Mr. and Mrs. Frank Albertson.

Mr. and Mrs. George Goforth, of Covelo, were business visitors here Frday.

CLARA BOW in "Love Among The Millionaires"

with
Little Mitzi Green, Skeets Gallagher, Stuart Erwin

Here's the new Clara Bow, with the new hair-bob and the new stream-lines. In a "doughnuts to dollars" role. As the peppy, pettin' and croonin' waitress slingin' 'em off the arm until she meets a young millionaire working as a brakeman at $40 per.

Old man millions says the boy can't have her. Then Clara takes hold of things. It's the Bow you love—the rantin', pantin' cyclone of emotion. Telling 'em where to head in. Reckless with love. And when you hear her sing "Karin' To Go," you'll want to hop up and do that thing!

PURITY STORE

(Continued From Page One)

and pets in the yard. At still another residence the boys appeared early in the morning and made sufficient noise to disturb the slumber of residents of the home.

Dislike The Intrusion.

In each instance the people annoyed took offense at the invasion of their private property. No housewife wants dodgers thrown into her rooms, the average Ukiah home owner is disinclined to have boys invade their yards and scare the house pets by having a strange dog "sicked" on them; taxpayers do not relish early morning visits of noise-making lads intent on shoving dodgers of some grocery on them.

All Others Obey.

Every concern in Ukiah has agreed to obey the city ordinance against the handbill nuisance, except the Purity Stores and, if the Purity Stores can defy the city and insist, ordinance or no ordinance, they intend to keep on scattering their dodgers, then the ordinance should not be enforced against anyone hereabouts.

Time For A Showdown.

A great many residents of Ukiah are watching the situation and will not be satisfied until a showdown is had and it is learned whether the Purity Stores are going to prevail—whether Ukiah is going to enforce an ordinance against all others, except the Purity Stores.

SUICIDE ENDS

(Continued From Page One)

which, it is believed, flared out a short time before the shooting.

Victim To Recover.

Mr. Pardini is in the Healdsburg General Hospital reported recovering from the wound. He was attacked by Mr. Gonnella, a friend of some years standing, presumably at the culmination of a sudden quarrel. According to information given to District Attorney Lilburn Gibson the men quarreled Sunday night and Mr. Gonnella is said to have gone to a neighboring residence to attempt to borrow a gun. He was unsuccessful there, the Ukiah officers were told, and went to another house, where he borrowed the weapon. He is believed to have lain in ambush and shot Mr. Pardini in the back as the latter passed by on the way to his cabin on the Flort ranch.

Ran To The Hills.

Mr. Gonnella fled into the hills near the Sonoma county line, officers were told.

MRS. E. KEHOE

(Continued From Page One)

ley, which she had left a short time before. The two ladies had motored to Anderson Valley early in the day to visit with relatives and were on their way home when the tragedy occurred. Fearful of the shorter mountain road to this city Mrs. Van Voast had chosen the longer but less hazardous route to this city for the homeward trip.

To Be Buried Today.

Funeral services for Mrs. Kehoe will be held this morning at 10 o'clock at the Methodist church with Reverend Warren Bonner officiating. Interment will be in the local I. O. O. F. cemetery. The death of Mrs. Kehoe leaves six children motherless. They are as follows: La Verne and Zelpha, who are grown; Merle, Billy, Bennie and Bonnie, the latter five years old, beside whom there is a husband, Edward Kehoe, employe of the Northwestern Pacific Railroad Company, two sisters, Mrs. B. J. Adams and Mrs. A. B. Willis, both of Boonville, and many other relatives.

A Home Lover.

Mrs. Kehoe was a living example of Longfellow's beautiful line, "Home-keeping hearts are happiest." She was devoted to her family and no task was too great for her to undertake when their welfare was at stake. Greatly beloved by all with whom she came in contact the memory of the devoted wife and mother will be revered for many years to come. Mrs. Kehoe was born in this city, the daughter of Mr. and Mrs. Joseph Burke. She was wedded to Mr. Kehoe at Point Arena. Her family connection is a long one and includes the Burke and McGimsey families of Anderson Valley. Edward A. Eversole, of the Eversole Mortuary, will be in charge of the funeral service and interment.

Mrs. Van Voast Recovering.

Word from Boonville yesterday was to the effect Mrs. Van Voast was recovering from the shock of the accident and except for a sprained shoulder, which was very painful, was as well as could be expected.

Ukiah Physician At Bedside.

She is being attended by Dr. J. H. Hansen, who passed the night at the Pressley home following the accident.

MARRIAGE LICENSES

A marriage license application was made before Clerk H. M. Burke yesterday by Kenneth L. Shaffer and Helen E. Norbach.

TRESPASS NOTICE

Owing to injury done stock it will be necessary to close the property known as the Mann Ranch to all hunters, campers or trespassing of any kind this season.
